Introduction

The American Rescue Plan Elementary and Secondary School Emergency Relief (“ARP ESSER”) Fund, authorized under the American Rescue Plan (“ARP”) Act of 2021, provides nearly $122 billion to States to support the Nation's schools in safely reopening and sustaining safe operations of schools while meeting the academic, social, emotional, and mental health needs of students resulting from the coronavirus disease 2019 (“COVID-19”) pandemic. It is particularly important that ARP ESSER funding will enable States and local educational agencies (“LEAs”), and more directly schools, to support students who have been most severely impacted by the COVID-19 pandemic and are likely to have suffered the most because of longstanding inequities in our communities and schools that have been exacerbated by the COVID-19 pandemic.

Instruction

This template presents an opportunity for LEAs to share their plans for the use of ARP ESSER funds with the public. The Kansas State Department of Education must approve an LEA's plan in order to make the ARP ESSER allocation available for use.

To submit the LEA's ESSER III plan, please submit it to Kansas CommonApp https://commonapp.grantplatform.com/. If you have any questions at all please refer to our website at https://www.ksde.org/Agency/Division-of-Learning-Services/Special-Education-and-Title-Services/Federal-Disaster-and-Pandemic-Relief, or please email esser@ksde.org.
