

Approved Preschool-Aged At-Risk programs for 2024-2025

Item Title:

Act on request to approve Preschool-Aged At-Risk programs for 2024-2025

Recommended Motion:

It is moved that the Kansas State Board of Education approve districts to operate Preschool-Aged At-Risk programs for 2024-2025. In districts operating approved programs, 3- and 4-year-old students who meet an at-risk criterion for the Preschool-Aged At-Risk program and who are enrolled and attending a program that meets all of the Preschool-Aged At-Risk program requirements on Count Day will automatically count as a ½ student (0.5 FTE) in calculating a district's enrollment and accompanying weightings.

Explanation of Situation Requiring Action:

See attached list of approved preschool-aged at-risk programs from 266 school districts for 2024-2025. This includes one district with a new preschool-aged at-risk programs in 2024-2025, USD 274 Oakley.

K.S.A. 72-5132 defines "Preschool-aged at-risk student" as "an at-risk student who has attained the age of three years, is under the age of eligibility for attendance at kindergarten, and has been selected by the state board in accordance with guidelines governing the selection of students for participation in head start programs." Each preschool-aged at-risk student enrolled in a school district and receiving services under an approved at-risk student assistance plan maintained by the school district is counted as ½ student (0.5 FTE) in calculating a district's enrollment and accompanying weightings.

Children enrolled on Count Day must meet one or more of the criteria listed below for being at risk of entering kindergarten socially, emotionally or academically unprepared for success to generate preschool-aged at-risk funding.

1. Poverty (qualifies for free meals under the National School Lunch Program)
2. Single parent families
3. Kansas Department for Children and Families referral
4. Teen parents
5. Either parent is lacking a high school diploma or GED
6. Limited English Proficiency
7. Lower than expected developmental progress in at least one of the following areas: cognitive development; physical development; communication/literacy; social-emotional/behavior; adaptive behavior/self-help skills
8. Child qualifying for migrant status
9. Child experiencing homelessness

Prior to 2020-2021 the Kansas State Department of Education allocated slots to districts before the start of the school year and then reallocated unused slots during the year. This changed beginning in the 2020-2021 school year to fund all qualifying students who are 4 years old on or before August 31. 3-year-old at-risk preschool students are funded beginning in the 2021-2022 school year. Students who are age-eligible for kindergarten (5 years old on or before August 31 of the current school year) are not eligible for Preschool-Aged At-Risk funding.
