Question: Is ASQ surveys required for all districts in Kansas starting the fall of 2018?
KSDE Answer: Yes, if you are a public school or private school it does not make any difference. You are required to complete both the ASQ-3 and the ASQ:SE-2 beginning August 1, 2018 - September 20, 2018. If you choose not to complete the ASQ you will not be able to say you’re an accredited school in the state of Kansas.

KSDE Answer: We are not requiring 100% return for each student. We ask that you do as many as possible and get the parents engaged the best you can.
