Question: Please remind me again what has to be done before we have access to this website and documents?
KSDE Answer: You will need to purchase your starter kit from Brooks Publishing and then complete this survey monkey link https://www.surveymonkey.com/r/ASQContact to get your user name and password.

Question: I have access to my account, but not sure where to put in my keycode?
KSDE Answer: You will get an email from Brooke’s publishing with a username and password and a link to the http://agesandstages.com/ks/ website. You will login with the user name and password given in the email. Once your logged in you will go to the program tab and scroll down to Keycode. You will select add and enter in the keycode. Please remember the keycodes are case sensitive so type it in as exactly as they are given.

Question: Can we practice using the online system until July 31st?
KSDE Answer: Yes you can we encourage you to do as so.

Question: Will the information we use to test and demo in the system prior to August 1st need to be deleted?
KSDE Answer: Yes you will need to delete the information before the formal screening starts. There is a quick how-to video on how to delete students from the system. Please visit the http://agesandstages.com/ks/ website to find the video.
