### Program Impact
- Number of parent education and family engagement model serving families throughout pregnancy until their child enters kindergarten. Families receive personal visits from certified parent educators; group meetings; health and developmental screenings; and linkages with community resources. The model has seven goals: increase parent knowledge of early childhood development and improve parenting practices; provide early detection of developmental delays and connection to services; improve parent, child, and family health and well-being; prevent child abuse and neglect; increase children's school readiness and success; improve family economic well-being; and strengthen community capacity and connectedness. The model is flexible to meet the needs and interests of diverse families, cultures, and circumstances.
