program, the Kansas Preschool Pilot, and Early Childhood Special Education (Section 619 of Part B of the Individuals with Disabilities Act). While these programs each have unique requirements, KSDE encourages local districts to offer services that support the needs of each student in inclusive environments. KSDE also hosts the State Interagency Coordinating Council (SICC), which is responsible for advising and assisting the Kansas governor and legislature on matters that impact Kansas families with children ages birth to 5 who have, or are at risk for, developmental delays. For more information about Preschool Programs https://www.ksde.org/Default.aspx?tabid=555.

Kansas Kindergarten Readiness Snapshot Tool

To advance kindergarten readiness in Kansas, all Kansas kindergarten classrooms are utilizing a new tool to better understand students’ development. The Ages & Stages Questionnaires, Third Edition (ASQ-3) and the Ages & Stages Questionnaires: Social-Emotional, Second Edition (ASQ: SE-2) provide a snapshot of children’s developmental milestones. The Kindergarten Readiness page has more information.

Early Childhood Webinars

The KSDE Early Childhood Team offers monthly webinars for early learning administrators during the school year. There will be opportunities for questions and the webinars will be recorded for future reference or for those unable to attend. Participate in this learning by going to http://ksde-task.adobeconnect.com/kansas-earlychildhood/ to view and download materials and discussions.

If you have a topic you would like us to cover, we would love to hear from you. Please email reading@ksde.org with your ideas and feedback.

All webinars begin at 11:00 A.M. CST:
