- Family attrition rate (includes families who moved out of the service area—see Note 1): 17%
- Family attrition rate (excludes families who moved out of the service area—see Note 1): 10%

### AFFILIATION STATUS

- Percent designed to implement the essential requirements/plan to remain an affiliate for 2014-2015: 100%

**Note 1:** Because moving out of the service area is not a reason for exit that can be controlled by a PAT service provider, the annual attrition rate has been calculated both ways (with families that exited due to moving included and excluded from the calculation). Also note that the attrition rates reported here are based on only one program year.
