2024-2025
Kansas Preschool Pilot (KPP) Grant Requirements and Application

Kansas State Department of Education | www.ksde.org

Kansas leads the world in the success of each student.
MISSION
To prepare Kansas students for lifelong success through rigorous, quality academic instruction, career training and character development according to each student’s gifts and talents.

VISION
Kansas leads the world in the success of each student.

MOTTO
Kansans Can

SUCCESS DEFINED
A successful Kansas high school graduate has the
• Academic preparation,
• Cognitive preparation,
• Technical skills,
• Employability skills and
• Civic engagement
to be successful in postsecondary education, in the attainment of an industry recognized certification or in the workforce, without the need for remediation.

OUTCOMES
• Social-emotional growth
• Kindergarten readiness
• Individual Plan of Study
• Civic engagement
• Academically prepared for postsecondary
• High school graduation
• Postsecondary success

The Kansas State Board of Education does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs and activities and provides equal access to all groups officially affiliated with the Boy Scouts of America and other designated youth groups. The following person has been designated to handle inquiries regarding the nondiscrimination policies: KSDE General Counsel, Office of General Counsel, KSDE, London State Office Building, 900 S.W. Jackson, Suite 102, Topeka, KS 66612, (785) 296-3281.

Kansas leads the world in the success of each student.

Jan. 15, 2003

Funding Opportunity

The Kansas State Department of Education (KSDE) invites applications for 2024-2025 Kansas Preschool Pilot (KPP) grants to provide preschool services. Eligible applicants include Kansas unified school districts (USDs) and other entities partnering with Kansas school districts. At least 50% of children served by Kansas Preschool Pilot grant funds must meet criteria to be at risk of entering kindergarten socially, emotionally, or academically unprepared for success.

2024-2025 Kansas Preschool Pilot grant applications are due at 5:00 p.m. CST on Monday, January 15, 2024. KSDE will host a Kansas Preschool Pilot grant webinar at 10:00 a.m. on Tuesday, December 12 to discuss this funding opportunity.

Preschool Pilot grants will be for a 1-year funding period from July 1, 2024, to June 30, 2025. Kansas Preschool Pilot grants will consist of funding from the Children's Initiatives Fund (CIF) and Temporary Assistance for Needy Families (TANF). Grant funding is dependent upon the final state budget approved during the 2024 Legislative Session.

The amount of Kansas Preschool Pilot grant funding remains limited. KSDE anticipates that the same amount of funding will be allocated in 2024-2025 as was allocated in 2023-2024 ($8,332,317). Districts are encouraged to consider other larger, more sustainable options to invest in preschool, including state school finance formula funds, special education funds, and federal Head Start grants.

To focus time and energy on more sustainable options to invest in preschool, the following will be in place for 2024-2025:

- 2023-2024 Kansas Preschool Pilot grantees will first have the opportunity to renew the 2023-2024 amount of grant funding for 2024-2025. Kansas Preschool Pilot grant awards will not exceed the gap between a program’s revenue and expenses. Applicants will use the 2024-2025 Preschool Revenue Calculator and Budget Template to estimate the amount of funding they will receive (state enrollment aid and accompanying weightings, special education funds, Head Start funds) and demonstrate how they plan to spend that funding.
  - If the gap between forecasted revenue and expenditures remains larger or equal to the 2023-2024 grant award, the grantee will receive level Kansas Preschool Pilot grant funding for 2024-2025. If other sources of funding will reduce the gap between forecasted revenue and expenditures, the grantee will receive a 2024-2025 grant equal to the size of the gap between revenue and expenses.
- Any remaining funding will then be awarded on a competitive basis to applicants proposing initiatives to improve the quality and availability of preschool in their...
Applicants may apply for up to $50,000 in new Kansas Preschool Pilot funding. These applicants may include both applicants who do not currently receive Kansas Preschool Pilot grants and current Kansas Preschool Pilot grantees demonstrating a gap between preschool revenues and expenditures. Initiatives to improve the quality and availability of preschool may include:

- **Expenditures that will improve the percentage of preschool students with disabilities receiving the majority of special education and related services in the least restrictive environment (Indicator 6)**
- **Partnerships that increase overall community preschool capacity, particularly capacity to provide full-day/full-year early childhood care and education**
- **One-time expenditures that will enhance the quality of programs (professional development, instructional materials, supplies, etc.)**
- **Other innovative practices described by the applicant to improve preschool services in their community**

Visit the KSDE [Preschool Programming](https://www.ksde.org) webpage to view the Kansas Preschool Pilot Grant Requirements and Application document and associated materials. Contact Natalie McClane (nmclane@ksde.org) and Amanda Petersen (apetersen@ksde.org) with Kansas Preschool Pilot questions.
Timeline for 2024-2025 Kansas Preschool Pilot Grant Application

- **Tuesday, November 28, 2023**: Kansas Preschool Pilot Grant Requirements and Application released.

- **10:00 a.m. Tuesday, December 12, 2023**: KSDE will host a 2024-2025 Kansas Preschool Pilot grant webinar. This Zoom meeting will include an overview of the grant requirements, applicant, and the Preschool Revenue Calculator and Budget Template. Click here to register for the December 12 Kansas Preschool Pilot grant webinar.

- **December 25, 2023 – January 1, 2024**: KSDE staff unavailable to reply to questions.

- **5:00 p.m. CST Monday, January 15, 2024**: Kansas Preschool Pilot grant applications due. Note that January 15 is Martin Luther King Jr. Day. KSDE staff will be unavailable to reply to questions after 4:00 p.m. Friday, January 12.

- **February 13-14, 2024**: Kansas State Board of Education considers Kansas Preschool Pilot grant awards.

- **TBD – Grantees receive Grant Award Notices**: KSDE will send Kansas Preschool Pilot Grant Award Notices once the Legislature has passed and the Governor has signed a budget appropriating Fiscal Year 2025 Kansas Preschool Pilot funding. Grant funding is dependent upon the final state budget approved during the 2024 Legislative Session.

- **July 1, 2024 – June 30, 2025**: Kansas Preschool Pilot Grant Year

- **Timelines for 2024-2025 Payment Dates and KSDE reports, KIDS and MIS Collections** will be posted to www.ksde.org, School Finance, Online Budget Packet. These timelines will include deadlines for submitting quarterly requests for reimbursement for TANF funds, the deadlines for the Kansas Preschool Pilot-Children's Initiatives Fund and Kansas Preschool Pilot - TANF Final Expenditure Reports, and the deadline for End-of-Year Performance Reporting (KPP Survey) using the Early Childhood Foundations for School Success authenticated application.
Grant Overview

Eligible Applicants
Eligible applicants include Kansas unified school districts (USDs) and other entities partnering with Kansas school districts.

Applications that propose allocating grant funds to an entity that is not a school district must provide a letter from the school district and from each proposed partner that will receive grant funding indicating commitment to fulfilling the goals of the project.

Proposals to expand preschool capacity must describe how expansion will build on, not duplicate, existing community services for families of preschool-aged children.

Current Kansas Preschool Pilot grantees seeking to renew 2023-2024 grant funding must report students served by the Kansas Preschool Pilot in the KIDS Collection System to be eligible for renewed funding. 2023-2024 students served by the Kansas Preschool Pilot should be reported as 1=YES in KIDS field D59. KSDE will notify current Kansas Preschool Pilot grantees that have not reported Kansas Preschool Pilot participants in December 2023 to determine their plans for correcting data during the EOYA collection window in May and June 2024.

Population to be Served
The population to be served with Kansas Preschool Pilot grant funding includes children ages 3 to 5 and their families. This is defined as children who are 3 years old on or before August 31, 2024, up to kindergarten eligibility (5 years old on or before August 31, 2024). Children age-eligible for kindergarten may not be served with Kansas Preschool Pilot grant funds.

Applicants should prioritize services for children most at-risk of entering kindergarten socially, emotionally, or academically unprepared for success. At a minimum, 50% of students served using Kansas Preschool Pilot grant funds must meet one or more of the at-risk criteria listed below. A student with a disability who also meets an at-risk criterion may be included as an at-risk student when determining that 50% of students served by the Kansas Preschool Pilot meet an at-risk criterion.

Grantees must maintain a roster of students being served with Kansas Preschool Pilot grant funds. Grantees must report students served by the Kansas Preschool Pilot grant in the KIDS Collection System.
At-Risk Criteria
At a minimum, 50% of students served using Kansas Preschool Pilot grant funds must meet one or more of the below criteria. Note that some children who qualify as at-risk for the purposes of the Kansas Preschool Pilot grant may not meet Preschool-Aged At-Risk at-risk criteria.

1. **Poverty** – Qualifies for free or reduced-price meals under the National School Lunch Program on September 20, 2024 (family income is less than 185% of the Federal Poverty Level).

2. **Single Parent families** – Custodial parent is unmarried on the first day of school.

3. **Children in foster care, custodial grandparents/kinship care, or out of home placement, or children who have been referred by the Department for Children and Families** – Child is in foster care, custodial grandparents/kinship care, or out of home placement at the time of enrollment. For children referred by DCF, the reason for referral must describe the need for the child to attend the Pre-K program or receive the early childhood service and be documented and signed by the DCF agent.

4. **Teen parents** – At least one parent was a teenager (19 or younger) when the child was born.

5. **Either parent is lacking a high school diploma or GED** – At least one parent is lacking a high school diploma or GED on the first day of school.

6. **Limited English Proficiency** – Documentation that the student qualifies for bilingual weighting and ESOL services must be provided. Forms must be in the child’s file. See process and criteria in the Program Guidance Document for ESOL/Bilingual Education. NOTE: ESOL services must be provided by qualified teachers.

7. **Lower than expected developmental progress in at least one of the following areas: cognitive development; physical development; communication/literacy; social emotional/behavior; adaptive behavior/self-help skills** – Based on appropriate and valid assessment results, the developmental progress of the child has been determined by a trained professional to be lower than typically expected for his/her chronological age, yet above what would be considered eligible for special education services (based on the procedural manual and guidance materials of specific assessment instruments). Scores that fall at or below the 40th percentile indicate ‘at-risk’.

8. **Child qualifying for migrant status** – Copy of Certificate of Eligibility must be on file.

9. **Children who experience chronic or episodic homelessness** – Residence of homeless student while homeless must be completed in the KIDS Collection System as determined by local educational liaison.

10. **Children lacking health insurance** – At the time of enrollment, the child has no health insurance coverage.
1-800-CHILDREN

1-800-CHILDREN is an easily accessible, reliable, and organized system of community resources that ensures Kansas families and communities are connected to the information, services, and supports they need, when they need them. The 1-800-CHILDREN Call Line and Resource Directory provides 24-hour, confidential, free information, support, and connection to local resources across the state. We are excited to increase the awareness and utilization of available resources and supports across Kansas.

Programs must establish and maintain an updated listing in the 1-800-CHILDREN Resource Directory. Kansas Preschool Pilot grantees must update their 1-800-CHILDREN listing at least annually. This 1-800-CHILDREN Quick Reference Guide for Providers video outlines step-by-step instructions on how to update, add, or claim a program.

(Note that the 1-800-CHILDREN Resource Directory is not intended to replace the child care resource and referral services provided by Child Care Aware of Kansas, therefore licensed child care providers do not need to establish and maintain an updated listing for child care services in 1-800-CHILDREN and should continue to maintain updated information via Child Care Aware of Kansas.)

In addition to updating a program listing at least annually, Kansas organizations serving families can:

- Share the electronic Family Outreach Card with families and caregivers in your community. 1-800-CHILDREN offers printed marketing/promotional materials such as magnets, palm cards, pens, etc. and hyperlinked logos for provider websites. Contact Michelle Reichart, 1-800-CHILDREN Community Engagement and Marketing Coordinator, at mreichart@kcsl.org to request these.
- Download the free 1-800-CHILDREN Resource Directory app by searching “1800childrenks” in the iOS or Android app store.
- To request a presentation or demo of the updated resource directory and call line supports or to reach out with additional questions or talk about more opportunities with 1-800-CHILDREN, contact Michelle Reichart, 1-800-CHILDREN Community Engagement and Marketing Coordinator, at mreichart@kcsl.org.

Outcomes and Data Collection

Applicants will be responsible for providing services that support the implementation of evidence-based practices designed to improve outcomes for children and families. State
statute ([K.S.A. 38-2102](#)) requires that moneys credited to the Children's Initiatives Fund be directed towards programs and services that are data-driven and outcomes-based.

Kansas Preschool Pilot grantees must use measures that foster a culture of continuous improvement by monitoring data, tracking progress toward goals, and learning what is and is not working.

- **KIDS Collection System:** Kansas Preschool Pilot grantees are required to obtain a Kansas Individual Data on Students Identification number (KIDS SSID) for each child participating in the Kansas Preschool Pilot and participate in all required KSDE Data Collections, including entry in the KIDS Collection System. Grantees will use the associated field in the KIDS collection system to report the students who participated in the Kansas Preschool Pilot.

- **Auditing:** Kansas Preschool Pilot grantees are required to maintain classroom rosters for all children enrolled in the Kansas Preschool Pilot. The KSDE Fiscal Auditing team will collect rosters for students enrolled in 2024-2025 as part of the regular audit during the 2024-2025 school year, along with the expenditures from the 2023-2024 school year.

- Kansas Preschool Pilot grantees are required to use approved screening and assessment tools aligned with the Kansas Early Learning Standards.

- **End-of-Year Performance Reporting:** Kansas Preschool Pilot grantees are required to collect and enter aggregate outcomes data (KPP Survey) into the Early Childhood Foundations for School Success authenticated application at the end of the program year. Program reporting will include:
  
  - Number of children served by the Kansas Preschool Pilot grant during the school year.
  
  - Of staff being funded with Kansas Preschool Pilot grant dollars, how many received professional development during the school year?
  
  - For each of the areas of Literacy, Mathematics, and Social Emotional Development,
    - Which tools did you use to measure progress?
    - How many total children were assessed from entry to exit of the program?
    - Based on the assessment data, how many children in your Kansas Preschool Pilot program showed improvement from entry to exit of the program?
• **End of Year Expenditure Reporting:** Grantees will be asked to provide end-of-year expenditures. Program reporting will include:
  
  o Temporary Assistance for Needy Families (TANF) reimbursement request reports. These will be submitted quarterly for school district grantees under the LEA Forms web application. The report is called Kansas Preschool Pilot-TANF quarterly report. Non-district grantees will submit their request quarterly to Kansas Department of Education via email.
  
  o A Kansas Preschool Pilot-CIF Final Expenditures Form listing all expenses by cost category will be due in May.
  
  o A Kansas Preschool Pilot-TANF Final Expenditures Form listing all expenses by cost category will be due in July.

**Timelines for 2024-2025 Payment Dates and KSDE reports, KIDS and MIS Collections** will be posted to [www.ksde.org, School Finance, Online Budget Packet](www.ksde.org). These timelines will include deadlines for submitting quarterly requests for reimbursement for TANF funds, the deadlines for the Kansas Preschool Pilot-Children's Initiatives Fund and Kansas Preschool Pilot - TANF Final Expenditure Reports, and the deadline for End-of-Year Performance Reporting (KPP Survey) using the Foundations for School Success authenticated application.

**Additional program requirements for Kansas Preschool Pilot grantees:**

- Provide developmentally appropriate opportunities for meaningful family engagement and partnership (e.g., family night, parent education, parent volunteer opportunities).
- Provide the most inclusive classrooms possible. Children receiving Early Childhood Special Education Services, who are Dual Language Learners and English Learners, who are from migrant worker families, and whose families are experiencing homelessness should be included in classrooms supported by Kansas Preschool Pilot funding.
- Implement an evidence-based preschool curriculum that includes literacy, math, and social-emotional components that align to the Kansas Early Learning Standards.
- Provide a minimum of 465 instructional hours for each child (as defined by the KSDE School Term Audit Guide on the [Fiscal Auditing webpage](https://www.ksde.org/finance/fiscal-auditing)) during the school year.
- Hold staff credentials as required by their setting.
- Provide at least one meal or snack per classroom session to all children attending the program.
Budget Information

Funding Sources
The Kansas Preschool Pilot grant consists of funding from the Children’s Initiatives Fund (CIF) and Temporary Assistance for Needy Families (TANF). Most grants will consist of funding from both sources.

Kansas Preschool Pilot grants will be for a 1-year funding period from July 1, 2024, to June 30, 2025.

Grant funding is dependent upon the final state budget approved during the 2024 Legislative Session.

**CIF Funds:** Grantees will receive CIF grant funds in four quarterly payments throughout the 2024-2025 school year. Districts should deposit Kansas Preschool Pilot Children’s Initiatives Fund quarterly grant payments (“KPP Pre-K CIF”) into the Code 35-Gifts and Grants Fund, 3000 STATE SOURCES-3231 Pre-K Pilot Grant (CIF).

**TANF Funds:** School district grantees will use the KSDE Web Application “LEA Forms” to submit quarterly reimbursement requests for Kansas Preschool Pilot TANF grant payments. Grantees who are not school districts will email KSDE to submit quarterly reimbursement requests for Kansas Preschool Pilot TANF grant payments. Districts should deposit Kansas Preschool Pilot Temporary Assistance for Needy Families reimbursement grant payments (“KPP Pre-K TANF”) into the Code 35-Gifts and Grants Fund, 4000 FEDERAL SOURCES-4585 Pre-K Pilot Grant (TANF).
Allowable Use of Funds
See the KSDE Accounting Handbook available on the KSDE School Finance Guidelines and Manuals webpage for additional detail regarding each of these allowable uses of funds.

The following are allowable uses of funds:

1000 Instruction
   1000 - 100 Salary
   1000 - 200 Employee Benefits
   1000 - 300 Purchased Professional & Tech. Serv.
   1000 - 400 Purchased Property Services
   1000 - 500 Other Purchased Services
   1000 - 600 Supplies & Materials
   1000 - 700 Property

2000 Support Services
   2100 - Student Support Services
   2200 - Instructional Staff Support Services
   2400 - Support Services - School Administration
   2700 - Student Transportation Services

3000 Operation of Non-Instructional Services
   3100 - Food Service Operations

Indirect costs (cannot exceed 8% of total grant costs)

Direct costs are those that can be identified specifically with a particular cost objective. These costs may be charged directly to grants, contracts, or to other programs against which costs are finally assigned. Typical direct costs chargeable to a grant include but are not limited to: Compensation of employees for the time devoted and identified specifically to the performance of those programs; Costs of materials acquired, consumed, or expended specifically for the purpose of those programs; Travel expenses incurred specifically to carry out the program; etc.

Indirect costs (cannot exceed 8% of total grant costs) are those that are not readily identifiable with the activities of the grant but are incurred for the joint benefit of those activities and other activities or programs of the organization. A cost may not be allocated to a federal program as an indirect cost if any other cost incurred for the same purpose. In accordance with OMB Circular A-87, indirect costs are: Incurred for a common or joint purpose benefiting more than one cost objective; and not readily assignable to the cost objectives specifically benefited without effort disproportionate to the results achieved. Examples include salaries and expenses for procurement, payroll, personnel functions, maintenance and operations, data processing, accounting, auditing, budgeting, communications (telephone, postage), etc.
Temporary Assistance for Needy Families (TANF) and Administrative Costs

Children's Initiatives Fund (CIF) funding may be used to reimburse administrative costs as outlined in the “Allowable Uses of Funds” section above.

Temporary Assistance for Needy Families (TANF) funding may **not** be used to reimburse administrative costs as defined here:

(b) The term “administrative costs” means costs necessary for the proper administration of the TANF program or separate State programs.

1. It excludes direct costs of providing program services.
   i. It excludes costs of providing diversion benefits and services, providing program information to clients, screening and assessment, development of employability plans, work activities, post-employment services, work supports, and case management. It excludes costs for contracts devoted entirely to such activities.
   ii. It excludes the salaries and benefits costs for staff providing program services and the direct administrative costs associated with providing the services, such as the costs for supplies, equipment, travel, postage, utilities, rental of office space and maintenance of office space.

2. It includes costs for general administration and coordination of these programs, including contract costs and all indirect (or overhead) costs. Examples include:
   i. Salaries and benefits of staff performing administrative and coordination functions;
   ii. Activities related to eligibility determinations;
   iii. Preparation of program plans, budgets, and schedules;
   iv. Monitoring of programs and projects;
   v. Fraud and abuse units;
   vi. Procurement activities;
   vii. Public relations;
   viii. Services related to accounting, litigation, audits, management of property, payroll, and personnel;
   ix. Costs for the goods and services required for administration of the program such
   x. as the costs for supplies, equipment, travel, postage, utilities, and rental of office space and maintenance of office space, provided that such costs are not excluded as a direct administrative cost for providing program services under paragraph (b)(1) of this section;
xi. Travel costs incurred for official business and not excluded as a direct administrative cost for providing program services under paragraph (b)(1) of this section;

xii. Management information systems not related to the tracking and monitoring of TANF requirements (e.g., for a personnel and payroll system for State staff); and (xii) Preparing reports and other documents.
Application Process

How to Apply

Applications and all required documentation must be submitted online via Qualtrics using the grant application link no later than 5:00 p.m. CST on Monday, January 15, 2024. Applications received after this date/time will not be accepted. There will be NO exceptions.

Note that January 15 is Martin Luther King Jr. Day. KSDE staff will be unavailable to reply to questions after 4:00 p.m. Friday, January 12.

KSDE is committed to ensuring a fair and equitable process for awarding grants. Kansas Preschool Pilot recommendations will be provided to the Kansas State Board of Education for final approval. KSDE reserves the right to work with grantees to modify proposals if needed. Current grantees must continue to meet all Kansas Preschool Pilot requirements to receive funding in the 2024-2025 school year.

Applications for Renewal Grants

2023-2024 Kansas Preschool Pilot grantees will first have the opportunity to renew the 2023-2024 amount of grant funding for 2024-2025. Grantees will not automatically receive the same amount of funding awarded to them in the previous school year. Kansas Preschool Pilot grant awards will not exceed the gap between a program’s revenue and expenses.

Grantees will complete the brief renewal application in the Qualtrics Survey. The renewal application will require updates on the following items.

- Updated contact information
- Proposed changes to services
- 2023-2024 KIDS data reporting
- Budget Template
  - Applicants will use the 2024-2025 Preschool Revenue Calculator and Budget Template to estimate the amount of funding they will receive (state enrollment aid and accompanying weightings, special education funds, Head Start funds) and demonstrate how they plan to spend that funding.

If the gap between forecasted revenue and expenditures remains larger or equal to the 2023-2024 grant award, the grantee will receive level Kansas Preschool Pilot grant funding for 2024-2025. If other sources of funding will reduce the gap between forecasted revenue and expenditures, the grantee will receive a 2024-2025 grant equal to the size of the gap between revenue and expenses.
Applications for New Grants

Any funding remaining following review of applications for renewal grants will then be awarded on a competitive basis to applicants proposing initiatives to improve the quality and availability of preschool in their community. Applicants may select one or more of the following strategies:

- Expenditures that will improve the percentage of preschool students with disabilities receiving the majority of special education and related services in the least restrictive environment (Indicator 6)

- Partnerships that increase overall community preschool capacity, particularly capacity to provide full-day/full-year early childhood care and education

- One-time expenditures that will enhance the quality of programs (professional development, instructional materials, supplies, etc.)

- Other innovative practices described by the applicant to improve preschool services in their community

Applicants may apply for up to $50,000 in new Kansas Preschool Pilot funding.

Applicants for new funding may include both applicants who do not currently receive Kansas Preschool Pilot grants and current Kansas Preschool Pilot grantees demonstrating a gap between preschool revenues and expenditures.

Example: A Kansas Preschool Pilot grantee currently receives a $40,000 grant. In 2024-2025 the gap between the grantee's forecasted revenue and expenditures is $120,000. The grantee may apply for $90,000 of 2024-2025 grant funding ($40,000 renewal grant funds plus $50,000 new grant funds).
Review and Selection Criteria for New Grant Applications

Applicants will use the 2024-2025 Preschool Revenue Calculator and Budget Template to estimate the amount of funding they will receive (state enrollment aid and accompanying weightings, special education funds, Head Start funds) and demonstrate how they plan to spend that funding. **Kansas Preschool Pilot grant awards will not exceed the gap between a program’s revenue and expenses.**

Applicants may select one or more of the following strategies to improve the quality and availability of preschool in their community. Applicants are not required to select all of the following strategies. In reviewing grant proposals, KSDE will prioritize:

<table>
<thead>
<tr>
<th>Indicator 6: Early Childhood Least Restrictive Environment</th>
<th>Insufficient</th>
<th>Sufficient</th>
<th>Optimal</th>
</tr>
</thead>
<tbody>
<tr>
<td>The applicant does not provide each of the required pieces of information.</td>
<td>The applicant provides each of the required pieces of information.</td>
<td>The applicant provides each of the required pieces of information.</td>
<td></td>
</tr>
<tr>
<td>It is unclear how proposed grant funding will improve the percentage of preschool children with disabilities in the district receiving the majority of special education and related services in the least restrictive environment.</td>
<td>The applicant provides a plan to describe how, as a result of grant funding, it will be able to improve the percentage of preschool children with disabilities in the district receiving the majority of special education and related services in the least restrictive environment.</td>
<td>The applicant provides a clear, detailed plan to describe how, as a result of grant funding, it will be able to improve the percentage of preschool children with disabilities in the district receiving the majority of special education and related services in the least restrictive environment.</td>
<td></td>
</tr>
<tr>
<td>The plan could benefit from additional detail describing the impact that will be made with proposed grant funding.</td>
<td>It is obvious that grant funding will result in sustainable improvements in this community.</td>
<td>It is obvious that grant funding will result in sustainable improvements in this community.</td>
<td></td>
</tr>
</tbody>
</table>
### Overall Community Preschool Capacity

The applicant provides:
- A description of the services currently available for preschool-aged children in the community.
- A description of how proposed grant funding will increase overall community preschool capacity, particularly capacity to provide full-day/full-year early childhood care and education.
- A description of how the proposed expansion will build on, not duplicate, existing community services for families of preschool-aged children.
- A letter from the school district and from each proposed partner that will receive grant funding indicating commitment to fulfilling the goals of the project.

<table>
<thead>
<tr>
<th>Insufficient</th>

Kansas State Department of Education | www.ksde.org
| Proposed grant funding will support **one-time expenditures that will enhance the quality of programs** (professional development, instructional materials, supplies, etc.). The applicant provides:  
  - A description of the proposed quality enhancement  
  - The data and evidence used to select this quality enhancement  
  - A description of how this quality enhancement is aligned with other district programming  
  - A description of whether this quality enhancement will benefit other community early childhood partners. | **Insufficient** | **Sufficient** | **Optimal** |
|---|---|---|---|
| The applicant does not provide each of the required pieces of information.  
   It is unclear whether local data indicates a need for the proposed quality enhancement strategy, or whether that strategy is evidence-based.  
   It is unclear whether this quality enhancement is well-aligned with other programming. | | The applicant provides data to support the selection of this quality enhancement strategy, and evidence to indicate its likely effectiveness.  
   The proposed quality enhancement is well-aligned with other programming for preschool-aged children.  
   It is obvious that grant funding will improve the quality of programs. | The applicant provides each of the required pieces of information.  
   The applicant provides data and evidence to support the selection of this quality enhancement strategy.  
   The proposed use of grant funding is well-aligned with other programming, for preschool-aged children and for other grade levels.  
   The proposed use of grant funding will benefit the broader community.  
   It is obvious that grant funding will improve the quality of programs. |
| Proposed grant funding will support **other innovative practices** described by the applicant to improve preschool services in their community. | **Insufficient** | **Sufficient** | **Optimal** |
| It is unclear how proposed grant funding will improve community preschool services. | The applicant describes how proposed grant funding will improve community preschool services but could benefit from additional detail. | The applicant provides a clear and detailed description of how proposed grant funding will improve community preschool services. |
Technical Assistance
KSDE will provide the following technical assistance to applicants:

- **2024-2025 Kansas Preschool Pilot grant webinar: 10:00 a.m. Tuesday, December 12, 2023.** This Zoom meeting will include an overview of the grant requirements, the application, and the Preschool Revenue Calculator and Budget Template. Click here to register for the December 12 Kansas Preschool Pilot grant webinar.

- **Questions Regarding Kansas Preschool Pilot Grant Requirements:** All questions must be submitted via email to Natalie McClane at nmcclane@ksde.org. KSDE Staff will not be available to reply to questions from December 23, 2023, through January 1, 2024 or after 4:00 p.m. on Friday, January 12.

- **Support in using the Preschool Revenue Calculator and Budget Template:** All questions must be submitted via email to Amanda Petersen at apetersen@ksde.org. Amanda will not be available to reply to questions from December 20, 2023, through January 1, 2024 or after 4:00 p.m. on Friday, January 12.
Application Questions
The 2024-2025 Kansas Preschool Pilot Application will request the following information:

*Have any of the following changed from your 2023-2024 KPP Application? (Any changes are subject to approval.)*

**Contact Information**
- Update contact information.
  - USD Number (if applicable)
  - Program Name
  - Primary Contact Person's Name
  - Primary Contact Person's Email
  - Primary Contact Person's Phone Number
  - Superintendent's Name (if program is a USD)
  - Superintendent's Email (if program is a USD)
  - Superintendent's Phone Number (If program is a USD)

**Type of Grant Application**
- Which best describes your program?
  - Currently receiving the KPP Grant and only renewing the current grant.
  - Currently receiving the KPP Grant and both renewing the current grant as well as applying for competitive funding to improve the quality and availability of preschool in the community.
  - Not currently receiving the KPP Grant and applying for competitive funding to improve the quality and availability of preschool in the community.

**Program Information**
- What percentage of the children served with the Kansas Preschool Pilot Grant funds do you estimate will meet at least one of the KPP at-risk criteria?
- *(For Current Grantees only.)* Please describe any changes to your program since the 2023-2024 School Year (additional classrooms or significant change in the number of children served, etc.).
- *(For Current Grantees only.)* What has your community seen as a result of the Kansas Preschool Pilot Grant? (choose all that apply)
  - We are able to provide all-day day care for our students.
  - We are able to serve more children who do not meet at-risk criteria.
  - We are able to serve children who qualify for reduced-price meals.
  - We are able to coordinate with a community partner to deliver preschool services.
  - Our kindergarten students who have attended the program are better prepared to attend school.
o N/A. This is the first year our program has accessed Kansas Preschool Pilot Funds.
o Other
o If “other” please describe.

Budget Template.
• Please upload your completed budget template.

Grantees will not automatically receive the same amount of funding awarded to them in the 2023-2024 School Year.

• Kansas Preschool Pilot renewal grant awards will not exceed the gap between a program’s revenue and expenses. Applicants will use the Preschool Revenue Calculator and Budget Template to estimate the amount of funding they will receive (state enrollment aid and accompanying weightings, special education funds, Head Start funds) and demonstrate how they plan to spend that funding.

For Applicants Requesting Competitive Grant Funding
• Which of the following initiatives are you requesting Kansas Preschool Pilot Grant funding for? (Select all that apply.)
  o Expenditures that will improve the percentage of preschool students with disabilities receiving the majority of special education and related services in the least restrictive environment (Indicator 6). Applicants who choose this option will be prompted to answer the following questions.
    ▪ What is your projected 2023-2024 Indicator 6 data?
    ▪ Provide a clear identification of the barriers that currently prevent the district from ensuring all early childhood services and classrooms represent the natural proportions of students in the district/system.
    ▪ Provide a description of how proposed grant funding will improve the percentage of preschool students with disabilities receiving the majority of special education and related services in the least restrictive environment.
  o Partnerships that increase overall community preschool capacity, particularly capacity to provide full-day/full-year early childhood care and education. Applicants who choose this option will be prompted to answer the following questions.
    ▪ Provide a description of the services currently available for preschool-aged children in the community.
    ▪ Provide a description of how proposed grant funding will increase overall community preschool capacity, particularly capacity to provide full-day/full-year early childhood care and education.
- Provide a description of how the proposed expansion will build on, not duplicate, existing community services for families of preschool-aged children.
- Upload a PDF of letters from the school district and from each proposed partner that will receive grant funding indicating commitment to fulfilling the goals of the project.
  - One-time expenditures that will enhance the quality of programs (professional development, instructional materials, supplies, etc.) Applicants who choose this option will be prompted to answer the following questions.
    - Provide a description of the proposed quality enhancement.
    - Describe the data and evidence used to select this quality enhancement.
    - Provide a description of how this quality enhancement is aligned with other district programming.
    - Provide a description of whether this quality enhancement will benefit other community early childhood partners.
  - Other innovative practices described by the applicant to improve preschool services in their community. Applicants who choose this option will be prompted to answer the following question.
    - Provide a clear and detailed description of how proposed grant funding will improve community preschool services.
Assurances

Once grants are awarded, grantees will sign and return the Kansas Preschool Pilot Assurances.

For the duration of the 2024-2025 Kansas Preschool Pilot performance period, the grantee shall implement the program standards as described in the 2024-2025 Kansas Preschool Pilot Program Requirements including:

1. Provide a nondiscriminatory program.
2. Implement an evidence-based curriculum aligned with the Kansas Early Learning Standards.
3. Ensure that each child receives a developmental screening using an approved screening tool. The program must share results with the child’s family.
4. Implement an approved assessment to measure children’s developmental growth upon entry and exit of the program.
5. Implement the Kansas Preschool Pilot for a minimum of 465 instructional hours during the school year in all classrooms. Ensure all children have access to the same number of programming hours.
6. Maintain an adult-to-child ratio of 1:10 or better at all times and a maximum class size of 20.
7. Ensure that all staff are qualified and hold the licensure as their position dictates.
8. Utilize the Local Interagency Coordinating Council (LICC) or an Advisory Committee that meets at least quarterly. The committee must include at least one currently enrolled parent and may include Part C Infant and Toddler Services Early Intervention, Part B 619, other early learning programs, or local home visiting programs.
9. Communicate with the LICC or Advisory Committee about: the number of children enrolled and on the wait list, and number of openings available, staffing changes and/or vacancies, results of community collaboration and upcoming opportunities to collaborate, and upcoming professional learning opportunities.
10. Provide and coordinate services and resources through community collaboration that includes IDEA Part B Section 619 providers and local early learning programs and builds on, but does not duplicate, services for families with age-eligible children.
11. Provide developmentally appropriate opportunities for meaningful family engagement (i.e., family nights, parent/teacher conferences, field trips, parent volunteers).
12. Provide 15 hours of in-service training to all direct service staff, teachers, paraprofessionals, and aides in early learning, including Child Abuse and Neglect training.
13. Provide at least one meal or snack per classroom session to each child in attendance.
14. Provide a safe and developmentally appropriate environment for all children.
15. Make available services such as transportation, health services, appropriate nutritional meals, and screenings for hearing and vision as required by federal, state, and/or local law.

16. Serve children aged 3 through 5. Children eligible for kindergarten (age 5 on or before August 31) may not be served with these funds.

17. Ensure that on September 20, 2024, at least 50% of the children served by Kansas Preschool Pilot funding meet at least one of the criteria outlined in the Kansas Preschool Pilot Grant Requirements for students at risk of entering kindergarten socially, emotionally, or academically unprepared for success.

18. Maintain records, including rosters of children served and child eligibility verification, to substantiate program and funding compliance, and afford access to such records as needed by KSDE.

19. Submit reports to KSDE to enable the agency to perform its duties, including program information, child attendance, classroom practices, and child assessment results.
   a) Obtain a Kansas Individual Data on Students Identification number (KIDS SSID) for each child participating in the KPP and participate in all required KSDE Data Collections, including entry in the KIDS Collection System. KIDS SSID’s may be obtained through the ASGT Record to the KIDS Collection System.
   b) Enter data in the Early Childhood Foundations for School Success (FSS) authenticated application. The End-of-Year Report (KPP Survey) will be completed in Foundations for Student Success between May 1 and May 31, 2025.

20. Establish and maintain an updated listing in the 1-800-CHILDREN Resource Directory. Update your program’s 1-800-CHILDREN listing at least annually.

21. Use fiscal control and accounting procedures to ensure proper disbursement of, and accounting for, state and federal funds paid to such applicants under this program.
   a) Supplanting of Grant Funds: The grantee shall not replace or supplant funding of another existing program with funds provided for in this Grant. Funds awarded under this Agreement may not be used for any purpose other than the one defined in this document.
   b) Compliance with Laws and Regulations: The Grantee agrees that it will comply with all federal, state, and local laws and regulations in effect at any time during the course of this Grant.
   c) Nondiscrimination and Workplace Safety: The grantee agrees to abide by all state, federal and local laws, rules, and regulations prohibiting discrimination in employment and controlling workplace safety.
   d) Audit Requirements: Awards of Federal funds are subject to the Audit Requirements listed in the Office of Management and Budget (OMB) Guidance for Grants and Agreements 2 CFR 200. Organizations expending a cumulative total of Federal award funds from all sources in excess of $750,000 during their fiscal year must
have a single audit completed. Organizations spending less than $750,000 annually in Federal awards are subject to other grant management requirements.

e) Cost Principles: Funds awarded through this agreement are subject to the requirements as established by the Office of Management and Budget (OMB) Guidance for Grants and Agreements 2 CFR 200.

f) Administrative costs: The grantee will not request Temporary Assistance for Needy Families (TANF) reimbursements for administrative costs. Grantees may refer to the Kansas Preschool Pilot Grant Requirements or the “LEA Forms” KSDE authenticated web application for the TANF definition of “administrative costs.”
