Closing Prior School year Preparing for the September 15 deadline

Analyzing MIS reports is essential for assuring reliable and complete data for the school year. Using the report tools in the MIS to find discrepancies and making corrections based on these discrepancies, is key to assuring timely and accurate reporting and avoiding point deductions on the Indicator score sheet.

1. Projected End of Year report
 - a. List of all student served by the LEA during the school year. Are all students accounted for?
 - i. Is the report unduplicated? No student should be listed more than once
 1. FY2019 MIS workshop handbook shows how to find and remove duplicate records
 - ii. Find and correct students with Active status and services that end before the last day of school. Active student would have services through the last day of school.
 - iii. Find and correct unequal exit dates and latest service end date. These dates would always be the same date.
 - iv. Compare the Transportation indicator (yes / no) to the all services data
 1. ST service and No in the transportation indicator, requires profile correction
 1. Yes in the transportation indicator and ST Service is not present may require an additional service line to be added.
 - ii. Exit code of “S” and a disability is present, will likely require correction.
 - iii. Students with DD disability over the age of 10 will require correction.
 - iv. Missing / null values present in columns with expected values.
 1. Race / ethnicity – will require correction
 2. Grade level – will require correction
 - v. Setting “Z” present in the all settings column will require correction
 - vi. Age on June 30 is not 3-21 – will require correction
2. Overlap report

August 2019 MIS – FAQ

- a. List of students with service dates overlapping with another agency. More than one agency is claiming to have served the same student on the same dates in two or more different locations.
 - b. To resolve overlaps, modify service start and / or exit dates to remove overlaps
 - c. Speak with the Data Clerk from the overlapping agency and coordinate efforts as all overlaps must be resolved.
 - d. Tip – Move in student – Are you reporting the same IEP services that were delivered from the sending agency? If yes, delete the service lines from the other agency
 - e. Tip – Move out student – Is the overlap start date days before your exit date? If yes, then you exit date and service end dates may be long. The student was already in the new agency before the exit date. To fix it change the exit date and latest service end dates to equal the day before the overlaps starts.
 - vii. This report should have no students listed by September 15
