Secretary’s Report

The State of Kansas is fortunate to have an active and involved SEAC. The overarching focus of special education services in Kansas is to improve outcomes for students with exceptionalities and their families. Services for students with exceptionalities in Kansas are continuously improving because of the dedication and commitment of many exemplary teachers and administrators who are supported by concerned and invested parents who work in partnership with the districts. Another Kansas asset, often overlooked because of their work behind the scenes of Kansas education, is the Kansas Special Education Advisory Council (SEAC). The primary motivation for individuals to accept appointments to SEAC is the focus on quality improvement in the Kansas education system, particularly as it relates to students with exceptionalities. SEAC has represented its constituencies well during the past year and has been productively engaged in fulfilling its legal commitments and mission on behalf of students. The SEAC members voluntarily meet on a regular basis, study issues of significance, provide a representative advisory function, and advise the Special Education, and Title Services (SETS) team and Kansas State Board of Education (KSBE) on matters of concern regarding special education.

SEAC’s 2017 – 2018 accomplishments, under the leadership of SEAC chair, Joan Macy, are wide ranging and include the following:

- Ongoing collaboration between SEAC and the Kansas State Interagency Coordinating Council (SICC)
- Provided feedback to KSDE Early Childhood Special Education and Title Services (ECSET) Team on:
  - The Annual Performance Report submitted to the Office of Special Education Programs (OSEP)
  - The State Personnel Development Grant (SPDG) on the following areas:
    - Support to Early Career Special Education Teachers
    - Implementation of effective Co-teaching practices across districts
    - Expansion of Tertiary Behavior supports within Kansas Multi-Tier System of Supports (MTSS)
  - Technical assistance provided to districts on the implementation of:
    - The Kansas Integrated Accountability System (KIAS)
    - Significant Disproportionality
    - KSBE Vision and Outcomes
  - Implementation of the Kansas Elementary and Secondary Education Act (ESEA) Every Student Succeeds Act (ESSA)
  - Implementation of Kansas Technical Assistance System Network (TASN)
- Provided forum for public comment on disability related issues
- Collaborated with other stakeholders to support Senate Bill 323, which made specific recommendations for language acquisition and language assessment for students who are deaf or hard of hearing.

SEAC serves a valuable role in representing the stakeholders in Kansas regarding special education services. Please feel free to contact me if you have any questions regarding SEAC.

Sincerely,

Colleen Riley
Director Early Childhood, Special Education, and Title Services
Secretary of the Kansas Special Education Advisory Council
Introduction

The Kansas Special Education Advisory Council (SEAC) held five meetings during the 2017-2018 school year. The January meeting was a two-day meeting and included members of the Kansas State Board of Education (KSBE).

SEAC advises the Kansas State Board of Education in six key areas as required by the regulations of the Individuals with Disabilities Education Act (IDEA), and Kansas statutes. Those areas include:

- Advise the State Education Agency (SEA) of unmet needs within the state in the education of children and youth with exceptionalities;
- Comment publicly on any rules and regulations proposed by the state regarding the education of children and youth with exceptionalities;
- Advise the SEA in developing evaluations and reporting on data to the Secretary under Section 618 of the Act;
- Advise the SEA in developing corrective action plans to address findings identified in federal monitoring reports under Part B of the Act;
- Advise the SEA in developing and implementing policies relating to the coordination of services for children and youth with exceptionalities; and
- Advise on the education of eligible students with disabilities who have been convicted as adults and incarcerated in adult prisons.

Kansas Special Education Advisory Council

The major responsibilities of the council are to advise, consult and provide recommendations to the Kansas State Board of Education regarding matters concerning special education services. The SEAC is composed of individuals in, or concerned with, the education of children with exceptionalities. The council performs such duties as specified by IDEA and as outlined in the Kansas SEAC Bylaws.

The primary role of the council is to advise and assist the KSDE to achieve excellence, equity, and lifelong learning opportunities for all students in Kansas. As such, it is committed to representing individuals with diverse and changing educational needs. This responsibility leads the SEAC to support the vision and mission of KSBE, the Division of Learning Services (DLS) and the Special Education, and Title Services team.

The chair for the 2017-2018 year was Joan Macy. She was unanimously elected to fulfill the obligations of the chair at the April 2016 council meeting.

OPERATIONAL STANDARDS

The SEAC's 2017-2018 meeting schedule was as follows:

<table>
<thead>
<tr>
<th>Meeting Date</th>
<th>Location</th>
</tr>
</thead>
<tbody>
<tr>
<td>July 25, 2017</td>

The SEAC is required to conduct a minimum of four regular meetings per IDEA statute. The 2017-2018 year exceeded this standard by holding five meetings, one of which was a two-day meeting that included meeting with members of the Kansas State Board of Education.

Official minutes of the meetings were kept, reviewed at each following meeting for accuracy, and posted on the KSDE Special Education and Title Services team website at http://www.ksde.org/Default.aspx?tabid=561.

A public comment period was offered at each regular SEAC meeting, and written public comment was accepted throughout the year.

COUNCIL ACCOMPLISHMENTS

SEAC members represented the council at the annual National and Kansas Council for Exceptional Children Conference, the Kansas Multi - Tier System of Supports Symposium, The Annual Kansas Summer Leadership Conference for Special Education Administrators, The OSEP Summer Leadership Conference, The Tri-State Law Conference, and the KSDE Annual Conference. Dr. Marvin Miller and Dr. Joan Robbins represented SEAC as members of the statewide task force set up by the 2015 Kansas Legislature to study issues directly related to Emergency Safety Interventions (ESI). Both members provided updates to the SEAC as well as the Kansas State Board of Education regarding the ESI task force. Dr. Marvin Miller supported the annual Kansas CEC Yes, I Can Conference by providing SEAC materials and networking with participants. The SEAC collaborated with other stakeholders to support Senate Bill 323, (later becoming K.S.A. 75-5397e) which made specific recommendations for language acquisition and language assessment for students who are deaf or hard of hearing. Joan Macy served on the Governor’s advisory committee to develop a specific action plan for implementation of a statewide language assessment program for children who are deaf/hard of hearing (DHH) ages birth through eight. This program will assess, monitor, and track language development in American Sign Language (ASL) and English of these children to ensure they have language skills commensurate with their hearing peers.
