Board Vision for Kansas Education

KANSANS CAN

Kansans are demanding higher standards in academic skills, as well as employability and citizenship skills, and the need to move away from a “one-size-fits-all” system that relies exclusively on state assessments. The Kansas State Board of Education in October 2015 announced a new vision for education in Kansas, giving direction for a more student-focused system and resources for individual success.

Kansas State Board of Education Mission:

To prepare Kansas students for lifelong success through rigorous, quality academic instruction, career training, and character development according to each student's gifts and talents.

Kansans CAN Vision:

Kansas leads the world in the success of each student.

Definition of a successful Kansas high school graduate:

A successful Kansas high school graduate has the academic preparation, cognitive preparation, technical skills, employability skills and civic engagement to be successful in postsecondary education, in the attainment of an industry recognized certification or in the workforce, without the need for remediation. (Approved by State Board in January 2016)

Outcomes for Measuring Progress:

- Social/emotional growth measured locally
- Kindergarten readiness
- Individual Plan of Study focused on career interest
- High school graduation rates
- Postsecondary completion/attendance

### Consideration for membership includes the following:

- Membership representation from each of the State Board (ten) state regions.
- Individuals who possess knowledge of educational needs of children with exceptionalities.
- Ability of the individual to represent his/her constituency, and to maintain communication between the constituency membership and SEAC.
- Personal experience demonstrating knowledge of a broad view of special education services.
- Membership representing a diverse population.
- Commitment to active participation in SEAC.

Council members are appointed for a term of three years, beginning July 1 of their first year and ending June 30 of the third year. No member may serve more than two consecutive terms in one role. An individual may serve additional terms, but must serve in a different role after two consecutive terms. If a current member is at the end of his or her third term, but that individual qualifies for another vacant role, that individual can apply if the application is submitted among other candidates for that vacant role.

Whenever a vacancy occurs in the membership of SEAC for any reason other than the expiration of the term of a member, the State Board shall appoint a successor for the remainder of the unexpired term. Members shall, when appointed, meet one or more of the eligibility criteria identified above. For the purposes of assessing compliance with the membership obligations identified in federal and state law, members shall be deemed to retain the same eligibility criteria through their term on SEAC. The SEAC Membership Committee shall annually review each member's eligibility criteria to ensure the eligibility criteria identified above are met. This review will include determining whether a member's status has changed during an initial term on SEAC, which would impact the member's eligibility to serve a subsequent term.

As noted in Kansas statute, members of the SEAC who attend meetings of the council, or attend a subcommittee meeting thereof authorized by the state board, shall be paid subsistence allowances, mileage and other expenses as provided in K.S.A. § 75-3223, and amendments thereto.
**Membership Tenure and Expectations**

Membership shall consist of not more than 21 members. K.S.A. § 72-3408(a). Membership appointment on the Kansas Special Education Advisory Council shall be for a term of three years. K.S.A. § 72-3408(a). No members may serve more than two consecutive terms. K.S.A. § 72-3408(a). Acceptance by an individual to the Council appointment indicates a commitment of the individual to actively participate in Council meetings and duties. Should a member miss three meetings in a given year, the Secretary may recommend a replacement to the Kansas State Board of Education for the position represented by the inactive member and notify the inactive member of the termination of their appointment. Failure of the appointed member to participate in a scheduled meeting will result in a recorded absence.

In unexpected circumstances, events may occur during a three-year membership term prohibiting the appointed member from fulfilling his/her responsibilities and/or disqualifying the member from representing the assigned constituency. Should this situation occur, the Secretary may recommend to the State Board the removal of the appointee. Subsequently, a replacement for the position will be recommended for State Board approval. An individual appointed to replace a Council member who has resigned or been removed, will be appointed for the completion of the term vacated by the replaced member. This partial fulfillment of a previous member’s term is not considered one of the two possible consecutive terms a member may serve. Upon completion of the partial term, and with recommendation of the Secretary, the State Board may reappoint the individual for a full three-year term of membership.
Membership Responsibilities

Council responsibilities under the regulations implementing Part B of the Individuals with Disabilities Education Act (IDEA) and the state statute include:

Citizens of Kansas are encouraged to communicate with the Council. This may be accomplished through contact with any Council member or the Secretary to the Council. Local education agency personnel, school patrons, students, lay community persons, private sector, public and private agencies, and educators at all levels are encouraged to submit relevant issues, questions and problems to the Council for consideration and action.

The Council will elect the members of the Membership Committee, including the chairperson. The Membership Committee must include at least three members. At least one member must have served in the previous year. At least one member must also be on Council Leadership. At the time of Committee nominations, each member whose term on the Council in continuing may choose whether to seek nomination, as long as one previous member continues to serve.

Council Leadership responsibilities include:

a. Meeting at least one time prior to each scheduled meeting;

b. Handling emergency matters requiring immediate SEAC attention prior to the next scheduled meeting;

c. Previewing proposed agenda items and drafting appropriate motions for SEAC consideration;

d. Calling additional SEAC meetings deemed necessary to transact the business of SEAC;

e. Coordinating and providing any testimony to the Kansas Legislature, State Board, or other committees as deemed necessary by SEAC; and

f. Assisting in the preparation and presentation of the SEAC Annual Report for the State Board.
The Membership Committee’s responsibilities include:

a. Actively recruit new SEAC members who meet the requirements and expectations articulated in the Council Membership section of these bylaws, with a particular focus on actively recruiting new members who are representative of the state population;

e. Annually review each member’s eligibility criteria to ensure the eligibility criteria identified in the Council Membership section of these bylaws are met and whether a member’s status as a person with a disability or the parent of a child with a disability has changed. This review will include determining whether a member’s status has changed during an initial term on SEAC, which would impact the member’s eligibility to serve a subsequent term.
