**Overview:** Local education agencies (ages birth through 21 years) who have students with current certification on the Deaf-Blind Census may submit an application for consideration.

**Procedures:** A State Deaf-Blind Fund application for a student who currently is certified on the Kansas Deaf-Blind Census may be submitted during the application window. The application window opens **April 17th and closes July 31st** for the fiscal year beginning **July 1, 2023**. Applications will be reviewed by KSDE for approval.

Students who are not deaf-blind, but have severe cognitive and significant disabilities may apply January 1 for the State Deaf-Blind Fund until it is depleted. Students who receive homebound services from the local education agency also **ARE** eligible to receive state deaf-blind funds. Students who are home schooled and do not receive services from the local education agency **ARE NOT** eligible for state deaf-blind funds.

KSDE SETS does not manage the Kansas Deaf-Blind Census. Kansas Deaf Blind Census recruitment and membership is led by staff of the Kansas Deaf-Blind Project, housed at the Kansas School for the Blind.
