General Reminders on Changes to Cooperative or Interlocal Agreements

• K.S.A. 72-3412 provides the requirements regarding changes to a cooperative or interlocal agreement. Please remember that when a cooperative or interlocal changes its agreements, it must provide an updated copy to KSDE’s General Counsel.

• SETS can discuss its role and the general process for the partial or complete termination of a cooperative/interlocal agreement. SETS cannot provide legal advice on a specific situation. For questions on interpreting or changing a cooperative/interlocal agreement contact the attorney representing your district or the Kansas Association of School Boards.
Cooperative and Interlocal Agreements and the Provision of Special Education and Related Services in a Virtual School

• During the 2020-21 school year, a cooperative asked KSDE’s General Counsel whether amending a cooperative or interlocal agreement to remove the provision of special education and related services to students in a virtual school run by a public school district was a partial termination of the cooperative agreement. Under those particular facts, it was determined that the contemplated amendment would have been a partial termination of the cooperative agreement which, under K.S.A. 72-3412, requires Kansas State Board of Education approval.

• For questions about whether a change or modification to a cooperative/interlocal agreement constitutes a partial termination, contact the attorney who represents your district or the Kansas Association of School Boards. The attorney can reach out to KSDE’s General Counsel for questions, as appropriate.
Discipline Data Collection

KSDE Contact/Questions:
Rachel Beech, 785-296-8965, rbeech@ksde.org

Kansas leads the world in the success of each student.
Discipline Data Collection

• The Discipline Data Collection is located in the Kansas Integrated Accountability System (KIAS) application.

• Reporting instructions are located on the KSDE website, https://www.ksde.org/Discipline-Data-Collection
Required Elements

• All accredited buildings are required to report on the following components for all students which they are responsible:
  • Bullying
  • Felonies, misdemeanors, and referrals to law enforcement
  • Firearms
  • All disciplinary removals for students with a disability (IDEA)
  • All disciplinary removals for students engaged in the foster care system
  • Violence Related Expulsions
  • Services During Expulsions
Required Elements

• Only incidents that apply to one or more of these categories are required to be reported.

• All incidents that occurred between July 1\textsuperscript{st}, 2020 and June 30\textsuperscript{th}, 2021 must be reported.

• The submission window for the 2020-2021 Discipline Data Collection will be open on May 14\textsuperscript{th} and will run until June 30\textsuperscript{th}, 2021 at 11:59 p.m.
Foster Care Addition

Beginning in the 2020-2021 Discipline Data Collection, any discipline incident involving a student engaged within in the foster care that results in an In-School Suspension (ISS), Out-of-School Suspension (OSS), or Expulsion must be reported.

• Reportable Elements
• New Discipline Foster Care Validation Report
Timely and Accurate Data

*Your LEA IDEA Timely and Accurate Report can be impacted by the Discipline Data Collection. The Timely and Accurate Report is a component for your LEA’s IDEA Level of Determination.*

The KIAS Discipline Data Collection is noted in the Kansas APR District Timely and Accurate Data report and is comprised of two components:

1. All district buildings must have submitted the Discipline Data Collection in the KIAS web application by the deadline for the school year 2019-2020 and
2. All students and incidents entered into the Discipline Data Collection in the KIAS web application must have a corresponding match for IEP service lines (gifted service lines are excluded) in the SpedPro web application on the date of the incident.
**Timely and Accurate Data**

**Sample Timely and Accurate Report**

<table>
<thead>
<tr>
<th>618 Data</th>
<th>December **</th>
<th>EOY **</th>

</tr>
</thead>
<tbody>
<tr>
<td>Q1: Did the LEA report all of the required 618 data to KSDE in accordance with the KSDE Special Education Individual Student Data Report Preparations and Data Dictionary?</td>
<td>Yes</td>
<td>Yes</td>
<td>Yes</td>
<td>3</td>
</tr>
</tbody>
</table>

You must meet both components to earn the full KIAS Discipline Point. Please use the Discipline IDEA Validation Report to help identify areas of concerns prior to submitting the 2020-2021 Discipline Data Collection.

IDEA VI-B Application for Funds

Christy Weiler, Coordinator
Special Education and Title Services Team

Kansas leads the world in the success of each student.
IDEA VI-B Application for Funds

Application is housed in the Kansas Grants Management System (KGMS)

https://apps.ksde.org/authentication/login.aspx

Kansas leads the world in the success of each student.
• Users will register for the IDEA VI-B application within the KSDE authenticated web applications.

• Users will select the Kansas Grants Management System (KGMS)
  • Access Level
    • District User: allows data entry, no submission
    • District Admin: allows for data entry and submission
  • Stand alone approval: Emails are sent to the Superintendent for approval.
  • Cooperative approvals: Emails are sent to the Superintendent of the sponsoring district for approval.
  • Interlocals: Emails are sent to the Special Education Director to approve their own requests.
IDEA VI-B APPLICATION PART I

What’s completed in part I?

• Contact information
• CEIS/CCEIS Participation
• Preliminary Budget grids
  • General allocations (Part B 3-21)
  • Preschool allocations (Part B 3-5)
• Private school allocations (if applicable)
• Funds for Schoolwide programs (if applicable)
• Assurances
• Equitable access participation
• Certification for lobbying
• Preliminary Budget grids
  • CEIS: Voluntary (if applicable)
  • CCEIS: Mandatory (For LEA’s identified with significant disproportionality)
• Submit for preliminary approval

Emergency Safety Interventions
Kansas Special Education Administrator’s May Webinar

Kansas leads the world in the success of each student.
Definitions

**Emergency Safety Intervention (ESI)**

*The use of seclusion or physical restraint*

- **Physical Restraint**
  - Bodily force used to substantially limit a student’s movement, except that consensual, solicited, or unintentional contact and contact to provide comfort, assistance or instruction shall not be deemed to be physical restraint

- **Seclusion**
  - The placement of a student in a location where all of the following conditions are met:
    - The student is placed in an enclosed area by school personnel
    - The student is purposefully isolated from adults and peers
    - The student is prevented from leaving or the student reasonably believes that such student will be prevented from leaving the enclosed area
When May an Emergency Safety Intervention Be Used?

- An emergency safety intervention may only be used when the student presents a reasonable and immediate danger of physical harm to self or others with the present ability to effect such physical harm.
- Less restrictive alternatives, such as positive behavior interventions support, must be deemed inappropriate or ineffective under the circumstances prior to the emergency safety intervention being used.
- The use of an emergency safety intervention must stop immediately when the danger of physical harm ends.
- Violent action that is destructive of property and presents a reasonable and immediate danger of physical harm to such student or others with the present ability to effect such physical harm may necessitate the use of an emergency safety intervention.
- An emergency safety intervention must not be used for discipline, punishment, or the convenience of a school employee.

Kansas State Performance Plan
Indicator 7: Preschool Outcomes
Indicator 12: Transitions from C to B

Kansas leads the world in the success of each student.
What is Indicator 7?

Preschool Outcomes
- Indicator 7 measures the percent of preschool children aged 3 through 5 with an individualized education program (IEP) who demonstrate improved:
  - A. Positive social-emotional skills (including social relationships);
  - B. Acquisition and use of knowledge and skills (including early language/communication and early literacy); and
  - C. Use of appropriate behaviors to meet their needs.

Data source for Indicator 7:
- Data for Indicator 7 information is collected at two points in time:
  - 1) when a child first enters Part B Preschool Services and
  - 2) when a child permanently exits Part B preschool services.

Districts will submit child outcome information into a state data collection system administered through the Kansas State Department of Education called the Outcomes Web Based System (OWS) located on the KSDE Web Application page.

Kansas leads the world in the success of each student.
Where can I find the Indicator 7 data that KSDE collects and reports to the U.S. Department of Education?

The data for Indicator 7 is published on the Kansas State Performance Plan- Annual Performance Report page and on the Kansas APR Reports site.

### Summary Statements:

1. Of those children who entered the program below age expectations, the percent who substantially increased their rate of growth by the time they entered.
   
   \[(c+d) / (a+b+c+d)\]

   \(2887 / 3221\) \(89.63\%\)

2. Percent of children who were functioning at a level comparable to same-aged peers by the time they entered.

   \[(d+e) / (a+b+c+d+e)\]

   \(2647 / 4278\) \(61.87\%\)

Kansas State Department of Education | www.ksde.org | #KansansCan

Kansas leads the world in the success of each student.
Indicator 7 Reminders:

• All children entering IDEA Part B services must have child outcome entry summary rating data entered in the OWS if they can be in the program for at least six months. Remember, the six months in a program is defined as the entire time a child is in Part B, not just the time a child is in a specific organization or district.

• A permanent exit is considered when:
  • Transitioning from preschool services to kindergarten.
  • A child is in IDEA Part B preschool program and turns age 6.
  • Child has exited and no longer requires IDEA services.
  • Moved out of state.
  • Child is withdrawn by parent or guardian.
  • Child is deceased.
Timelines for Entering Child Outcome Data in OWS

• **June 30:**
  - Last date for submitting child outcome entry summary rating data to KSDE for all newly identified children entering IDEA Part B services.
  - Last date for submitting child outcome exit summary rating data for children permanently exiting IDEA Part B services between July 1 and June 30 of the current year.

• **July 1 – Sept. 15:**
  - Data verification occurs during this period.
Stakeholder Input: Curriculum Based Assessments (CBA)

- The Early Childhood Team of the Kansas State Department of Education (KSDE) is interested in reviewing and perhaps updating the Curriculum Based Assessments (CBA) list used as required assessments on the Outcomes Part B application of the Authenticated Applications on the www.ksde.org website.

- To that end, we would like to gather your responses to the following questions about the CBAs currently being used and what, if any, changes you would like to see made to the current list of eight approved CBA’s.

- Here is the link to the survey about the Curriculum Based Assessments (CBA’s) that are currently used in the Outcomes Part B application: https://www.surveymonkey.com/r/OWSCBA

- Please share this survey with any other staff you believe would have a valid interest in what CBA we require in the Outcomes Part B application.

What is Indicator 12?

Early Childhood Transition from Part C to Part B

- Indicator 12 is a compliance indicator that measures the percent of children referred by Part C prior to age 3, who are found eligible for Part B, and who have an IEP developed and implemented by their third birthdays. 20 U.S.C. § 1416(a)(3)(B).

Data source for Indicator 12:

- KDHE submits and uploads data fields from the Part C database into a secure site at KSDE annually. A file is generated by KSDE and is uploaded into KSDE authenticated website KIAS along with data submitted by districts. The KIAS runs verification checks specifically designed to find errors in the data and student data that needs follow-up. KIAS then calculates the measurement variables for Indicator 12.
Indicator 12: District Corrective Action Plan (DCAP) Updated Data Window

• Districts that were found non-compliant in FFY 2019 and submitted a District Corrective Action Plan (DCAP):
  • This is a REMINDER to complete the Updated Data process.

• Updated data will be collected on *IEPs developed between March 1, 2021 and May 1, 2021*. The submission window opened on April 15, 2021 and will close on May 15, 2021.

• Submit your Updated Data in the Kansas Integrated Accountability System (KIAS) on the KSDE Web Applications site.
Plan Ahead...

• Summer Birthdays
  • Follow guidelines outlined in the KDHE and KSDE Part C to Part B MOA

• Pick Up Referrals from Part C in the C to B Electronic Referral system (CBER).
  • School districts are required to pick up the Part C referral and either accept or reject the referral. Only reason for rejection is that the child was directed to the wrong school district. This is how the state gathers information about potential non-compliance so important to keep it updated and visit it on a regular basis.

• Expectation that IEP still in place by 3rd birthday (no Federal exceptions have been given for COVID-19; Part C has vital and important information to share to help get IEP in place)
Summer Birthdays

• Once eligibility is determined and an IEP developed, a child may begin Part B services anytime during the school year he/she turns three. If the decision to begin Part B services before age three occurs, the transition team proceeds through the IEP process and placement is determined. Once a child begins Part B services, he/she is no longer eligible for Part C services.

• If a child turning age three during the summer (which is defined as the day after the last day of school) is determined to be eligible for Part B, and has an IEP in place with special education services to begin the following school year, the child can continue to be served on an IFSP by the Part C program during the summer until the IEP is implemented at the beginning of the next school year;
Summer Birthdays

• If a child turns age three before the end of the school year and it is determined by the IEP team that it is in the best interest of the child for the child to be served by Part C providers on a Part B IEP in the child's home until the beginning of the next school year, the LEA may contract with the tiny-k program to provide those services to the child to assure a smooth transition;

• If a child turns age three during the summer and the IEP team determines the need for extended school year (ESY), the Part B team may provide the ESY services or may decide that it is in the best interest of the child to be served by the tiny-k program on an IEP until the next school year. The LEA may choose to contract with the local tiny-k program to provide Part B ESY services to the child in order to minimize disruption to the family and to assure a smooth transition; and If a child's third birthday occurs during the summer, the child's IEP team shall develop the IEP and determine the date when services under the IEP shall be implemented, which must occur no later than the first day of school the following school year. It is only the implementation of the IEP that may be delayed. LEA's shall begin Part B services on the date specified on the IEP.

KIAS Calendar

**May 2021**

- **May 10**  Special Education Transportation Claim Form (308) must be submitted
- **May 14**  Discipline Data collection 2020-2021 window opens (report incidents occurring between 07/01/2020 and 06/30/21)
- **May 14**  Emergency Safety Intervention (ESI) data collection window opens (report incidents occurring between 12/01/20 and 05/31/21)
- **May 15**  Indicator 13 – Secondary Transition data collection window closes
- **May 31**  Indicator 8 – Parent survey closes

**June 2021**

- **June 1**  Categorical Aid – 5th Special Teacher payment issued
- **June 1**  Last day to update para inservice in categorical aid personnel system
- **June 4**  IDEA Fiscal – VI-B Part I Application for funds submission window closes
- **June 12**  Emergency Safety Intervention (ESI) – Data collection window closes (report incidents that occurred on or between 12/01/20 and 5/31/2021)
- **June 30**  Target Improvement Plan – application window closes
- **June 30**  KS Deaf-Blind Fund 2021-2022 Application Window Closes
- **June 30**  Discipline Data Collection 2020-2021 window closes (report incidents that occurred on or between 7/01/2020 and 06/30/2021)

Reinvesting and Rebounding: Where the Evidence Points for Accelerated Learning

Description: With schools reopening across the country and a historic influx of federal funding coming, we now have a once-in-a-lifetime opportunity to create a new normal of schooling—one that serves even more students and focuses more on what matters most. Join John Almarode, John Hattie, Nancy Frey, and AASA Associate Executive Director of Advocacy and Governance Noelle Ellerson Ng for a discussion of what it will take to bring our schools back stronger than ever and reimagine teaching and learning for a brighter future.
