# Access

## Current Users

If you already have access to KSDE Web Applications, log in and make sure you have “Interlocal Agreements (D0600’s only)” in your list of Web Applications.

1. Go to the [KSDE Web Applications site](#).
2. Log In and click **Accept** on the Legal Notice screen.
3. Check to see if you have “Interlocal Agreements (D0600’s only)” in your list of web applications (it may be a different number on your screen than the number shown on the screen shot below).

- If you do not, click **Manage My Account**.
  - If you do, click **Interlocal Agreements (D0600’s only)**, then continue to the [Change School Year](#) section.
4. If your account has organization level access, “Interlocal Agreements (D0600’s only)” will be available to add to your current account. Scroll down the list of applications (in alphabetical order), to check the box next to “Interlocal Agreements (D0600’s only)” and then select **District**.

**Note:** If you do not see Interlocal Agreements (D0600’s only) listed here, your account does not have organization level access. Please see the [New Users](#) section to register for a new account with organization level access.

**Tip:** If you must register for a new username, note what current Web Applications you registered for and the user level of them on your building level account. You can then request access to all the web applications you accessed under your building level account as well as LEA Forms. Once approved for access, you should then be able to access all applications under your organization level account.

5. Scroll down to the bottom and fill in the three fields under “In Case You Forget Your Password.”

**IN CASE YOU FORGET YOUR PASSWORD:**

Enter your birthdate, then choose a question to which only you know the answer and which has nothing to do with your password. If you forget your password, we'll verify your identity by asking you to enter your birthdate and the answer to this question:

Birthdate (MM/DD/YYYY):\*

  
 Question:\*
  
 Answer (this field is case-sensitive):\*
  

6. Click **Submit**. Once this happens, our IT department will email the main contact denoted as “Executive Director” or “Director” or “Superintendent” (in that order of hierarchy) on the Directory Updates web application for approval.
7. Once the main contact approves the request, our IT department will add the requested application to your account. When complete, they will email you to let you know that you can now access the new application(s) as requested.
8. You will then go to the [KSDE Web Applications](#) site and sign in. You should then see all web applications you requested access to.

**Note:** If an application on the “My KSDE Web Applications” screen is grey and not linked, that means that the main contact has not yet approved you for that specific application (the application may also be down for the moment as noted on the log in screen).
