

**The use of 12 and 15 passenger rated vans for student transportation is illegal.**

Kansas law KSA 72-64,100 prohibits the use of any passenger vehicle, for student transportation, which is rated for more than 10 passengers plus the driver by the manufacturer. Federal law also prohibits the use of these vans and contains substantial penalties for schools, rental agencies and vehicle dealerships.

The rated capacity can be found on the Tire and Loading Information sticker which is normally located on the inside driver's door.

The passenger rating is determined by the vehicle manufacturer and cannot be changed by anyone other than the manufacturer.

It is illegal to remove seats from a 12 or 15 passenger rated van to meet the mandated passenger requirement for student transportation. This would apply to both a school and/or a dealership if the intention is to circumvent the mandated passenger rating for school transportation.
