

SPECIAL PROVISIONS, CONTRACTOR LIST AND PRICING

1. **Quarterly Reports:** The contractor is required to submit a quarterly report to the Division of Purchases detailing all acquisitions made by the State from this contract. This report should include as a minimum the agency name, quantity, description and amount group number (even if the amount is zero).
2. **Administrative Fee:** Vendor(s) must pay a 1/2% Administrative Fee on all purchases (including political subdivisions) made against this contract. The fee is to be included in the cost (bid price) of the goods or services. The Administrative Fee is to be based upon the total dollars invoiced under the contract. The Administrative Fee shall be made in check form, payable to the "State of Kansas - Division of Purchases" and must be paid within 30 days following the end of each quarter.
3. **Open-Ended Contract:** This is an open-ended contract between a vendor and the State to furnish an undetermined quantity of a good or service in a given period of time
4. **Deliveries:** Normal orders shall be shipped FOB destination, prepaid and included, within 90 (Ninety) days of receipt of a purchase order unless special options are specified. Deliveries must be clearly marked with the purchase order number. If delays in delivery are anticipated, the Contractor shall notify the ordering agency of the expected delivery date or partial delivery date. The order may be cancelled if delivery time is unsatisfactory. The Contractor shall inform the Division of Purchases of any supply or delivery problems.
5. **Invoices:** Each purchase order must be individually invoiced. Invoices shall be forwarded to the using agency in duplicate and shall state the following:
 - (1) date of invoice;
 - (2) date of shipment (or completion of work);
 - (3) purchase order number and contract number;
 - (4) itemization of all applicable charges; and
 - (5) net amount due.
6. **Contract Period:** Date of Award through August 31, 2019 or until orders are no longer accepted by the manufacturer.
7. **Contract Renewal:** The contract may be renewed for additional model years by mutual consent of both parties under the same terms and conditions.
8. **Orders:** Orders will be placed periodically throughout the contract period by State Agencies. Agency orders will show options required, colors, title information delivery hours and the name of a contact person and telephone number. The State realizes that the manufacturer may discontinue accepting order prior to the contract termination date. Contractors shall inform the Division of Purchases of early order cutoff dates.
9. **Payment Terms:** Payment Terms are Net 30 days. Payment date and receipt of order date shall be based upon K.S.A. 75-6403(b). This Statute requires state agencies to pay the full amount due for goods or services on or before the 30th calendar day after the date the agency receives such goods or services or the bill for the goods and services, whichever is later, unless other provisions for payment are agreed to in writing by the vendor and the state agency. NOTE: If the 30th calendar day noted above falls on a Saturday, Sunday, or legal holiday, the following workday will become the required payment date.

The statute further defines the date goods or services are received as the date such goods or services are completely delivered and finally accepted by the state agency. The date the payment is made by the state agency is defined as the date on which the warrant or check for such payment is dated, i.e. warrant issue date.
10. **Delivery:** Vehicles delivered shall have mileage readings not to exceed 50 miles plus the mileage distance from the contractor's shipping point to the delivery location and in no case shall the odometer reading exceed 500 miles. The contractor shall notify the agency 48 hours prior to delivering the vehicle and shall comply with the Agency's delivery hours.

Contractors shall guarantee delivery of vehicles ordered prior to March 1, each model year unless noted. After March 1, Agencies shall contact vendor prior to placing orders to insure availability. If the Contractor receives an order and cannot guarantee delivery, the Contractor will immediately notify the ordering Agency in writing with a copy to the Procurement Officer.

Contractors have quoted one firm price per mile for delivery of each category of vehicle no matter the distance from the shipping point (defined as location of Pre-delivery Inspection) to the delivery point. Alternative pricing may be shown for delivery of multiple vehicles. All shipping points in the Kansas City, Missouri Metro Area shall use Kansas City as the basis for figuring mileage. The attached mileage chart will be used to determine delivery charges if delivery is made to a city not shown on the Price Schedule based upon the contractor's unit price per mile. No "Delivery Charge" will be assessed if the vehicles are drop shipped to the delivery location and the State Agency performs the predelivery inspection.

Contractors will not charge mileage for delivery to destinations within the City where the shipping point is located. Delivery of vehicles to destinations located outside the boundaries of the specified City which result in a total delivery distance which exceeds the distance to any destination within the City boundaries will be allowed to assess the appropriate per mile charge for the difference in the two distances.

The contractor agrees, to guarantee the design, material and workmanship of the unit bid according to the standard factory warranty, or for one year, whichever is greater. Warranty coverage shall include costs of transporting the unit to and from factory authorized service center, when outside a 150 mile radius of the delivery point.

11. **Miscellaneous Requirements (All Vehicles):**

LICENSE TAG BRACKETS AND BOLTS: Each vehicle will be equipped with adequate license tag brackets to protect license tag. Sufficient bolts and fasteners shall be furnished to properly apply license tags on the back of vehicle.

KEYS: Two complete sets of keys are to be furnished on substantial key rings. Operability of all keys must be verified by dealer prior to delivery.

KEY CODES: A printed record of key codes and corresponding manufacturer's identification numbers shall be furnished for each vehicle or vehicles listed on an invoice.

SERVICE: Each vehicle shall be serviced (prior to delivery) including all fluids to be at proper level. All doors, hatch cover (or trunk cover) and hood shall be properly adjusted. All fittings and attachments shall be accounted for. All mechanical adjustments (throttle linkage, headlights, front end) shall have been made. There shall be at least 1/4 tank of gas shown on the gas gauge at the time of delivery. Engine shall be protected with ethylene glycol antifreeze to 20 degrees below zero. Windshield Washers shall be full of winter strength solution to prevent freezing. Vehicle to be clean both interior and exterior.

Each vehicle delivered shall have a separate vehicle packet containing: 2 sets of operable keys; (NOTE: Contractor is to verify all keys are operable prior to delivery, payment may be delayed if any keys provided are inoperable) certificate of origin specifying the specific state agency as new owner; odometer statement; operator's manual; warranty standards; tire warranty. This packet must accompany each vehicle as it is delivered.

Floor Mats, when specified, shall be located in all passenger locations, may be dealer installed and shall be color coordinated with interior color unless otherwise noted.

Vehicles to be available in a sufficient variety of colors. Vendors will be required to provide a color card to each agency upon request.

When an automatic transmission is specified, a continuous variable transmission will be acceptable.

Full size spare tires, when required, to be same brand, size and tread design as other tires. "Temporary USE" spare tires will not be acceptable as full-size spare tires.

Vehicles to comply with all Federal and State safety regulations.

Running Boards if ordered on Vans are to be adjusted so they provide a practical stepping surface. Running Boards delivered which are adjusted so far under the Van that they are not functional will be rejected.

Contractors will provide any options not specified at Invoice cost or less as shown in the Price Schedule. Agencies will request these options from the State Procurement Officer. The Procurement Officer will then obtain pricing from the Contractor based upon written verification and inform the Agency of the cost.

Attached are specifications for the base vehicles.

The State of Kansas reserves the right to purchase vehicles from other than the Contractor if, as the result of a legal settlement, the State of Kansas becomes entitled to benefits which will allow for the purchase of vehicles at prices lower than quoted on this contract.

Contractors shall report to the manufacturer the State Agency and Address shown on the purchase order is the proper address to use when mailing service recalls, warranty information or any other related correspondence. Do not show the Division of Purchases as the owner of the vehicle.

12. **Delayed Warranty Start Date:** When state agencies purchase a quantity of vehicles that are placed into storage, a delayed warranty start date shall be available, that reflects the actual date when that vehicle is first placed into service. This date shall not exceed 12 months from the invoice date.
13. **E-85 Engine:** An E-85 compatible engine shall be capable of operating on E-85 (85% ethanol and 15% unleaded gasoline, unleaded gasoline or any mixture of the two in the same tank.
14. When hybrid powered vehicles are specified, for the purpose of this contract, a hybrid powered vehicle shall be defined as having both a gasoline engine and rechargeable electric batteries to power electric motors. These vehicles are commonly referred to as a hybrid-Electric vehicle (HEV). The base vehicle specifications for engine size, fuel capacity and trunk capacity are waived when a hybrid vehicle is required. The ninety (90) day delivery requirement is also waived and delivery will be subject to availability.
15. **Prices:** Prices shall remain firm for the entire contract period and subsequent renewals. Prices shall be net delivered, including all trade, quantity and cash discounts. Any price reductions available during the contract period shall be offered to the State of Kansas. Failure to provide available price reductions may result in termination of the contract for cause.
16. **Quarterly Reports:** The Contractor shall be required to file a quarterly report by each state agency or political subdivision making purchases under this contract. Reports are due no later than 30 days after the end of each calendar quarter and shall correlate with figures submitted as Administrative Fees (see below). Above referenced reports are to be filed with Procurement and Contracts Open Records Officer or his/her designee located at 900 SW Jackson, Room 652S, Topeka, KS 66612-1212. Reports may also be required to be submitted to the specific using agency.

Electronic files shall be e-mailed to the following e-mail address: reports@da.ks.gov, in Microsoft® Excel or Microsoft® Access Database format.

The required reporting format may be found on the Procurement and Contracts website at <http://da.ks.gov/purch>, under the "Forms" link.

Report Types - Reports shall be available reflecting the following information. Agencies and Procurement and Contracts reserve the right to request additional information.

- Sales Summary -- Report shall include a list of agencies and political subdivisions who have used the contract, a subtotal of sales to each agency or political subdivision, as well as a grand total of all sales.
- Items Sold -- Report shall include a list of items sold to agencies and political subdivisions, indicating the contract price and using agency, a subtotal of sales to each agency or political subdivision, as well as a grand total of all sales.
- Items Sold, by Agency - Same as above, except sorted by agency.

17. **Contract Price:** Statewide contracts are awarded by Procurement and Contracts to take advantage of volume discount pricing for goods and services that have a recurring demand from one or more agencies. However, if a state agency locates a vendor that can provide the identical item at a lower price, a waiver to "buy off state contract" may be granted by Procurement and Contracts.

Distances are measured via the shortest US, K, Interstate Highway Route combinations and the Kansas Turnpike, where it reduces the length of the trip by five or more miles.

MILEAGE CHART

STATE OF KANSAS

**BASE VEHICLE
SPECIFICATIONS
FOR
ALL VEHICLES**

Engine: Standard engine.

Transmission: An automatic type with a minimum of three speeds forward and one reverse.

Brakes: To be front disc and rear drum or disc type with power assist.

Steering: Power assisted.

Drive Axle: To be standard for engine and transmission, specified above, used for normal highway use.

Tires: All Season Tread sized and load rated by manufacturer for G.V.W. specified. Space tire or inflator kit.

Air Conditioning: Front unit only, fresh air type, factory installed.

Radio: AM/FM.

Windshield And All Glass: To be tinted.

Mirrors: One inside prismatic day-night type and right and left outside below eyeline rear view mirrors.

Instruments Standard Dash: Gauges or lights for temperature, oil pressure, voltmeter, gas gauge.

Bumpers: Front and Rear, to have matching finish, unless otherwise specified.

Windshield Wipers: Intermittent with washer.

Air Bags: Driver and front passenger.

2018 MODEL YEAR

STATE OF KANSAS

**SPECIFIC BASE VEHICLE
SPECIFICATIONS
FOR EACH TYPE OF VEHICLE**

COMPACT SIZE 4-DOOR SEDAN/HATCHBACK

EPA Passenger Volume Index: 87.1 Cu. Ft. minimum.

Wheel Base: Minimum of 102.4".

Tires: All season tread 15". Spare Tire to be inflated ready for use or compact spare or inflator kit

Trunk Space: Shall be approx. 12.2 cu. feet.

Fuel Tank Capacity: Approx. 12 gallon.

Examples of vehicles that may meet this specification are: Dodge Caliber, Ford Focus, Chevrolet Cruze, Toyota Corolla, Nissan Versa, Honda Civic.

MIDSIZE 4-DOOR SEDAN

EPA Passenger Volume Index: 95 Cu. Ft. minimum.

Wheel Base: Minimum of 106.3".

Tires: All season tread 15". Spare tire to be inflated ready for use, compact spare or inflator kit.

Trunk Space: Shall be approx. 13.4 cu. feet.

Fuel Tank Capacity: Shall be approx. 15.6 gallons.

Interior: Cloth seating for five (5) passengers, split or bucket type front seats.

Examples of vehicles that may meet this specification are: Dodge Avenger, Ford Fusion, Chevrolet Malibu, Toyota Camry, Nissan Altima, Honda Accord.

INTERMEDIATE SIZE 4-DOOR SEDAN

Epa Passenger Volume Index: 102.2 Cu. Ft. minimum.

Engine: Minimum of six cylinders with a minimum displacement of 2.7 L.

Wheel Base: Minimum of 110.5".

Tires: All season tread 16". Spare tire to be inflated ready for use or compact spare.

Trunk Space: Shall be a minimum of 16.2 cu. feet.

Fuel Tank Capacity: Shall be a minimum of 16 gallons.

Interior: Cloth seating for five (5) passengers, split or bucket type front seats.

Examples of vehicles that may meet this specification are: Chevrolet Impala, Ford Taurus, Dodge Charger

MINI-PASSENGER VANS

Wheel Base: Seven (7) Passenger - Minimum 118 inches.
Five (5) Passenger – Minimum 104.8 inches.

Body: Vehicle body shall have two front passenger doors (one right and one left), one cargo door, right side, sliding type, and a lift gate or double panel type rear door for cargo loading. All body panels shall have glass for complete visibility. Complete interior headliner and sideliners to be furnished.

Seats: Cloth seats, two front bucket seats. Seven (7) Passenger to have second row bucket seats and rear bench seat or two (2) rear bench seats (seating for seven (7) minimum). Five (5) Passenger to have minimum seating for five (5) passengers.

Examples of vehicles that may meet this specification of the Dodge Caravan or Ford Transit.

FULL SIZE PASSENGER TYPE VAN (8/10, 12 15 Passengers)

Wheel Base: 8/10 Passenger Minimum of 130". 12 and 15 Passenger Minimum 135"

Weight: The gross vehicle weight (GVW) shall not be less than: 7,000 pounds for 8/10 passenger, 8,600 pounds for 12 passenger, 9,100 pounds for 15 passenger.

Body: Vehicle body shall have two front passenger doors (one right and one left), two rear panel doors opening completely for cargo loading and hinged swing out side door. All doors to be protected with drip molding. All body panels shall have glass for complete visibility. Complete interior headliner and sideliners to be furnished.

Seats: Cloth seats two front bucket type seats and passenger bench seats as necessary to meet seating requirement.

Tires: All Season Tread sized and load rated by manufacturer for G.V.W. specified. Full-size Spare tire and rim to be furnished, inflated ready for use and mounted underneath the vehicle or at the rear with cover.

COMPACT SPORT UTILITY CROSSOVER VEHICLE

Wheel Base: 107.3"

Body: Comparable to Chevrolet Equinox, Ford Edge or Dodge Journey. Four (4) doors, Two (2) front bucket seats, or split bench seat with fold-down rear seat.

Spare Tire: Tire and rim to be furnished with carrier. Spare tire to be inflated ready for use.

MIDSIZE SPORT UTILITY/CROSSOVER VEHICLE

Engine: Minimum of six (6) cylinders with a minimum displacement of 3.5 L.

Wheel Base: Minimum 113"

Body: Comparable to Chevrolet Traverse, Ford Explorer or Dodge Durango. Four (4) doors, two (2) front bucket seats, or split bench seat with fold-down rear seat.

Spare Tire: Tire and rim to be furnished with carrier. Spare tire to be inflated ready for use.

FULL SIZE 4 DOOR SPORT UTILITY VEHICLE

Wheel Base: Minimum of 130".

Body: Four (4) Door comparable to Chevrolet Suburban or Ford Expedition EL, panel rear doors or Liftgate, all doors and body side sections to have glass.

Seats: Front, center and rear seats.

Spare Tire: Full-size Tire and rim to be furnished with carrier. Spare tire to be of same type and design.

PICKUP TRUCK 1/2 TON

Wheel Base: Minimum of 133".

G.V.W.: The gross vehicle weight shall be a minimum of 6,100 pounds.

Body: To be standard cab with eight (8) foot, styleside or fleetside type pickup body. Exterior and interior to be custom trimmed with single, standard, factory color.

Bumpers: Front to be painted or chrome oval type. Rear to be factory installed, "step" type with single license tag light and holes for trailer ball and safety chain.

Spare Tire: Full-size Tire and rim to be furnished with side mounted carrier inside truck bed or under bed.

3/4 TON PICKUP TRUCK

Weight: The gross vehicle weight shall be not less than 8,600 pounds.

Wheelbase: Wheelbase to be not less than 133" and cab to axle dimension not less than 54".

Body: To be equipped with a standard cab and styleside or fleetside pickup body unless otherwise specified in the proposal.

Spare Tire: Full Size tire and wheel furnished with side mounted carrier inside truck or under bed. Tire of same design and tread.
