This workshop is for anyone who is interested in learning more about the Safe Driver Competition, whether it be competing or judging.

Our goal is to teach you how to navigate the competition course, provide tips on getting a team started, how to set up a course for practice, what equipment is needed, and more.

If competing is not your thing, we will have a second classroom focusing on the judging process and how to complete the competition score sheets.

Once each respective group has completed their classroom instruction, we will move outside to the course and give you some hands on practice. This is a practice event only.

There is no cost to participate however we do ask that you pre-register so we can reasonably accommodate everyone. Please complete a registration form for each person attending and submit by October 12, 2019. You may submit this form via email at alesia.klassen@firstgroup.com or mail to School Bus Workshop, 4141 N. Seneca, Wichita, KS 67204. Lunch will be provided to those who pre-register. One form per person. **We must have a minimum of 20 registrants to hold the workshop.**
