April Payments
April 15 .................. Special Education, KPERS, Mental Health (CMHC)

KPERS Deposit April 15
The fourth quarter KPERS state aid payment will deposit on Friday, April 15. The KPERS payment is required to be deposited in the KPERS Special Retirement Contribution Fund as a receipt and recorded as an expenditure broken out by function code as outlined in Code 51 of the USD budget. Kansas law requires school districts to record this as a revenue and an expenditure. KPERS will withdraw these funds from your account on the day it is received, or the first working day thereafter.

To view your total KPERS payment, download the payment file from the School Finance - Payment Information website: https://www.ksde.org/Agency/Fiscal-and-Administrative-Services/School-Finance/Payment-Information. Look under the heading State and Federal Payment Amounts. FY22 Payments and select KPERS.
Note: Select districts have been notified who need to republish Code 51 KPERS Fund.

Deposit Special Education in General fund and transfer
Special Education state aid will direct deposit on Friday, April 15. As you will recall, the law requires all special education state aid payments to be deposited in the school district’s general fund budget (Code 06, Line 120 – 3205 Special Education Aid). The revenue would then be transferred from the general fund to the special education fund (Code 30, Line 75 – 5206 Transfer from General).

Detail reports are posted online. To view payment amounts and print the special education detail reports, link here. Select FY22 Special Education State Aid Printout. If a security warning appears in a yellow bar above the spreadsheet, click on Enable Content to proceed.

Quarterly reporting is now open on CommonApp. Every school district will need to submit an Expenditure Report by the end of the day on 4/15/2022.

When submitting your Excel, please update the narrative with how ESSER funds were spent this past quarter. If you did not have any expenditures, you can upload the last quarter spreadsheet with an updated date on the Instructions and Totals tab and add “No expenditures” in the narrative section. Please note, we will need more than “NA” and “see spreadsheet” for the response when expenditures have been updated.

This report is cumulative and will need to have all ESSER expenditures previously spent plus the new expenditures this quarter.

Be sure that you are not using (-) negatives on the Excel. If you need to reduce or remove something, do so in the original allocation line.

Do not use the object codes 564, 565, or 590 anywhere on the quarterly reporting Excel.

The last quarterly webinar link can be found on our webpage: https://mediastream.ksde.org/Media/SETS/ESSERQuarterlyReportingWebinarMarch2022.mp4. For questions please contact esser@ksde.org.
