Budget Adoption Reminders
As you close out the budget-creation season, the school finance team wishes to remind you of what we consider “best practices”:

1. Double Check your document and publication for accuracy.
2. Your budget publication notice should include the correct time, date and location of your hearing(s).
3. If applicable, your Revenue Neutral Rate (RNR) Hearing should be held prior to your Budget Hearing. Both Hearings should be prior to your Board of Education’s meeting
4. Your resolution(s)/motion(s) should be adopted during the Board’s official business meeting that follows the hearings.
5. Resolutions and Motions to adopt, include:
   a. Revenue Neutral Rate adoption. (RNR Resolution)
   b. Official motion/resolution to adopt the current year’s Budget.
   c. Local Option Budget Percentage adoption. (LOB Resolution) You only need to complete a resolution that states the percentage you are adopting this year.
6. The RNR Resolution is a Roll Call Vote and is certified to the County Clerk.
7. Your minutes of the budget adoption meeting should include and reflect that both the Building Needs Assessment and State Assessments were provided to the Board of Education, and that they were evaluated by the Board, and used in the Budget Approval Process. The minutes of this meeting must include that the assessments were provided to the Board, even if the Board reviewed them and included them in the minutes of an earlier meeting.
8. Remember to Certify your budget to your County Clerk by the due dates applicable to your District, either August 25th or October 1.
9. Remember to **Upload** your document to the **KSDE** by either August 25th or September 20th. See this Interest Letter or future ones for more information on the upload process.
