**Reminder – Needs Assessment**

REMINDER: Based on the statute shown below, all school districts must complete a needs assessment of each building annually. A Building Needs Assessment (Academic) can be found on the School Finance website under Guidelines and Manuals. The information on the form is a guide to help districts develop the needs assessments for each building. It is for the benefit of the district and does not need to be returned to KSDE. You may locate the form on the School Finance homepage.

72-1163. Budget and summary of proposed budget; notice of availability; needs assessment of attendance centers. (a) Each year the board of education of a school district shall conduct an assessment of the educational needs of each attendance center in the district. Information obtained from such needs-assessment shall be used by the board when preparing the budget of the school district.

**Attn: Special Ed Directors – Submit Medicaid Claims by April 15**

The following message was sent to the Special Educ Directors Listserv on 2/3/2022:

The State Department of Education is required to distribute to school districts special education state aid as Medicaid replacement state aid in the amount of $9,000,000. Allocations are determined based upon the number of special education children that have been approved for Medicaid reimbursement on Tuesday, March 1, 2022. Note: You are allowed to include Medicaid services for special education students one week prior and one week after March 1st (February 22 through March 8).

Districts should submit their Medicaid claims before April 15. If your district belongs to a coop, you may want to visit with them because they may be submitting on your behalf. Claims are submitted to the Kansas Department of Health and Environment (KDHE), Division of Health Care Finance, through the MMIS billing portal for Medicaid eligible students. Medicaid related questions should be directed to KDHE: Hallie Doud – email: Hallie.Doud@ks.gov

Sometime after May 1, KSDE will request from the Kansas Department of Health and Environment a list of the number of special education children that have been approved for Medicaid reimbursement in order to calculate the final June special education state aid payments.
