SAM.gov Renewal Registration – repeat from May 30, 2023

Be aware that [SAM.gov](#) accounts expire annually, if not renewed. Establishing a new account or re-activating an existing account that has expired takes time.

When updating your SAM registration, the district will need to include the 4 digit extension on the zip code (ex. 66612-1212). SAM.gov confirms the zip code with the Congressional District, on where the district resides. If you don't know your 4 digit extension, there is a zip code lookup by address on USPS.com.
[ZIP Code™ Lookup | USPS](#) .

We are aware many districts are currently renewing their SAM account, and as part of this process, they are asking for a "School Incorporated Letter." Because a school district is not considered "incorporated," such a letter will not exist. We were told by a business manager who reached out to SAM.gov and confirmed that Board of Education minutes signed by the Clerk of the Board and the BOE President can be provided for SAM renewal.

Make sure your school district name shown in the board minutes matches up exactly to the organization name shown on the SAM.gov account.

If you have any questions, you can contact Rose Ireland 785-296-4973 or rireland@ksde.org.
