Procurement Contract List

Since a public school district is defined as a political subdivision, big ticket items like vehicles or computers can be purchased under state contracts to receive special pricing. Link here for a list of vendors:
<http://da.ks.gov/purch/Contracts/> Find the heading **Quick Link** (under Browse Alphabetically) to show all current state wide contracts and vendors. Browse alphabetically by selecting a letter, i.e. V for vehicles.

If you have questions about purchases using state contracts, please contact:
