**KPERS deposits July 15**

Friday, July 15, the first quarter KPERS state aid payment will deposit. The KPERS payment is required to be deposited in the KPERS Special Retirement Contribution Fund as a receipt and recorded as an expenditure broken out by function code as outlined in Code 51 of the USD budget. Kansas law requires school districts to record this as a revenue and an expenditure.

KPERS will withdraw these funds from your account on the day it is received, or the first working day thereafter.

*Kansas leads the world in the success of each student.*

Revenue Neutral Publication Requirements – Important Update

There has been a change on the Revenue Neutral Publication Requirements document, that was included in the packet that was passed out at the budget workshop. At the bottom of page 1 the following has been added:

− The board of education should be informed of the mill rates reported to the county clerk by July 20, however the Resolution to Exceed the Revenue Neutral Rate is not adopted until after the hearing is held.

You may access this document on School Finance/Online Budget Packet/ Revenue Neutral Publication Requirements.

If you have further questions, please contact School Finance (785)-296-3872.

**FY2023 State Mileage Rate increases to 58.5 cents**

**Effective July 1, 2022:** As authorized by K.S.A. 75-3203a, the Secretary of Administration has fixed the privately-owned vehicle maximum mileage reimbursement *state* rate for FY2023 at 58.5 cents per mile.

**Is a district required to pay the state’s mileage reimbursement rate for privately-owned vehicles?**

Answer: No, a local board of education can decide to reimburse teachers/parents at a rate other than the state rate. If the mileage rate your district reimburses exceeds the federal mileage rate, there are tax consequences.

**Effective July 1, 2022 through Dec 31, 2022:** The *federal* privately-owned vehicle mileage reimbursement rate increased to 62.5 cents per mile.

Mileage reimbursement rates are posted on the School Finance homepage under Guidelines and Manuals.

**Setoff Program (State Debt Recovery System for USDs)**

The Kansas Setoff Program collects monies by withholding money from State payments that are issued to individuals or businesses that owe a state agency, district court, municipality, or a foreign state agency. The largest source of monies collected for municipalities comes from Kansas individual and joint Income tax refunds. Other payment sources include Homestead tax refunds, unclaimed property held by the Kansas State Treasurer, Lottery winnings, other state miscellaneous payments, and State payroll payments.

A setoff action occurs when the payee’s name and Tax Identification Number (TIN) match the debtor's name and TIN. The TIN can be an individual's Social Security Number (SSN) or a business's Federal Employer Identification Number (FEIN).

To participate in the Setoff Program, the municipality must enter into an agreement with the State. The Municipal Agreement and additional information about the Setoff Program are available on the Setoff Program’s website at [https://admin.ks.gov/offices/oar/setoff-program](https://admin.ks.gov/offices/oar/setoff-program). Debts submitted to the Setoff Program must be $25 or more and the municipality must have made at least three collection attempts prior to submitting the debt to the Setoff Program. The Setoff Program may be contacted by phone at (785) 296-4628 or by email at KSSetoff@ks.gov.
