**Listservs – Notify KSDE of Personnel Changes**

Time-sensitive information is sent to your district via listserv, so it is important that these messages continue to be delivered to someone in your office in the event of personnel changes. Any time your district or interlocal has staff turnover, KSDE will need to be notified in order to update the email addresses on the listservs.

To view a list of KSDE listservs and owners, go to Division of Learning Services website:
https://www.ksde.org/Agency/Division-of-Learning-Services Scroll down to the following heading:

**KSDE Listservs**
- **Policies & Procedures** – do's and don'ts for sending listserv messages
- **KSDE Listservs and Contacts** – spreadsheet of KSDE Listservs, their purpose, and the listserv owner.

**How to add or remove a member:**

To make a request, send an email to the KSDE listserv owner (refer to the list above).

Provide the following information:
1. Listserv name
2. Add: First and last name
3. Email address
4. Job title
5. Remove: Email address (if replacing a position)

**Guidance when sending a message on a KSDE listserv**

Below are excerpts from the Policies and Procedures document:

- Please include your name, affiliation and contact information for responses.
- When posting information to the listservs, please note there are to be NO attachments or any type of graphic, etc. in the listserv message.
- Do NOT post defamatory, abusive, profane, threatening, offensive or illegal materials.
- Do NOT post any information or other material protected by copyright without the permission of the copyright owner.
- Listservs may NOT be used for political, financial or other non-educational purposes.
- Do not send messages to the listserv address to answer a question. (See below)

The practice at KSDE is – and has been – to NOT distribute anything on the listservs, that is not sponsored, co-sponsored or directly related to KSDE. For those organizations or associations who believe they have a service or product they believe may be of interest to others, email addresses may be requested from appropriate KSDE staff.
How to reply to a question posted by a school district:
Please reply directly to the person sending the message. Do not post your reply to the listserv address. The person that posted the question can either share their findings in a follow-up message, or send them directly to people who request it. Since attachments are not allowed on listserv messages, findings should in the body of the message. Otherwise, send attachments to individuals that request it.
