**School Year Calendar – Spring Break Alignment**

In 2020, the Kansas State Board of Education accepted the recommendation of the work group representing Kansas Board of Regents (KBOR), Kansas State Board of Education (KSBE) and Coordinating Council (KBOR, KSBE and Kansas Chamber of Commerce) to align spring break calendars. This decision would benefit high school students who are pursuing dual credit and also assist families with students enrolled in different education systems. Administration and school boards may wish to consider aligning spring break on their school calendar with the dates agreed upon by Kansas regent universities and colleges which are listed below:

<table>
<thead>
<tr>
<th>Year</th>
<th>Spring Break</th>
</tr>
</thead>
<tbody>
<tr>
<td>2024</td>
<td>March 11-15</td>
</tr>
<tr>
<td>2025</td>
<td>March 17-21</td>
</tr>
<tr>
<td>2026</td>
<td>March 16-22</td>
</tr>
</tbody>
</table>

While the state board recommends school districts align spring breaks with those set by the higher education systems, this remains a local decision.

**Kansas Clean Diesel Program**

The Kansas Department of Health and Environment (KDHE) currently has a school bus award opportunity open to districts that own and operate their own fleets. Briefly -

- One older model diesel powered school bus is required to be decommissioned for every new school bus awarded through the KS program, up to 5 school buses.
- New bus(es) that are diesel, alt-fuel and battery electric are eligible for an award from KDHE.
- Most awardees will receive up to 25% reimbursement for new buses purchased, per requirement. Projects involving new buses that are battery electric will receive 45% reimbursement, per requirement.
- State (KS) funding cannot be stacked with federal (EPA) for the same bus, per state and federal requirements.
- Awards cannot be processed if the order for the bus/buses has already been placed by the school district.

Deadline for submissions is January 22, 2024. Please visit [https://www.kdhe.ks.gov/404/Kansas-Clean-Diesel-Program](https://www.kdhe.ks.gov/404/Kansas-Clean-Diesel-Program) for the application process.

In other KS Clean Diesel Program news, Kathleen Waters would like to introduce Amy L. Bloom, Public Service Administrator as the contact person for this school bus opportunity.

For questions, please send e-mail to Amy.L.Bloom@ks.gov
