SO66 and Principal’s Building Reports (verify access now)
We anticipate these two online reports (Superintendent’s Organization Report (SO66), and Principal’s Building Report (PBR) will be available for data entry by Friday, September 17. When these reports are open, KSDE will send notification via email with instructions to Superintendents, board clerks, and building principals’ listservs.

The ‘official’ student count date is Monday, September 20. KIDS staff are asked to wait to upload ENRL records on or after September 20 (and not before). After you upload, KSDE will use ENRL records to pre-populate enrollment totals into the PBR and SO66 reports.

Please reference the Enrollment Handbook for changes in how student FTE is to be counted under the school finance formula. The handbook is available on the KSDE Fiscal Auditing homepage:

Click here to open Enrollment Handbook

We recommend you download and print the Enrollment Handbook with guidance for calculating student FTE.

NOTIFY STAFF AT BOTH THE DISTRICT AND BUILDING LEVEL TO VERIFY ACCESS TO THE SO66 / PBR ONLINE WEB APPLICATIONS.

Today, please email the message below to your staff responsible for data entry or review on these two reports:

Subj: Verify access to SO66 / PBR online web applications (open by Sept 17)

All staff involved with work on the Superintendent’s Organization Report (SO66) and/or Principal’s Building Report (PBR) should go online to the authenticated web application login screen to verify access to these reports. Follow the steps below:

✔ New staff members should request online access to SO66 and/or PBR.

If you have new staff members on board that will be responsible for data entry (or new administrators that will review these reports), notify them to go online and click on >Register to create their own Individual User ID and Password. Link to web application login screen: https://apps.ksde.org/authentication/login.aspx

Next, place a check mark next to all reports that you request access to and submit. If you need assistance, please call the KSDE Help Desk number at (785) 296-7935. An email from KSDE will notify you when your access has been approved by your superintendent.

✔ All staff members who will enter data or review the SO66 and/or PBR should login to verify access this week.
ALL designated district and building level personnel should verify access to these reports by going online. When you enter an existing User ID and password, all reports and forms applicable to the User ID will be listed. If you don’t see a report on the list, follow these steps to add:

- Enter your User ID and Password on the login screen.
- Scroll down and click on >Manage My Account.
- Place a check mark next to the application(s) requested.
- Specify the Application Access Level:
  - PBR: School Read Only or School Update
  - S066: District/Org Read Only or District/Org Approve
- Answer the Security Question (look under Birth date).
- Scroll to the bottom of the screen and hit the >Submit button.

If you can't remember your answer to the security question, contact the KSDE Help Desk at (785) 296-7935.

Once the superintendent approves your request, an email is sent from KSDE stating access has been granted.
