

Hello,

The time has come to register for the **FREE** 2021 Safe and Supportive Schools Virtual Conference (January 25-29, 2021). Please look over the Conference Booklet with the schedule and session descriptions. Please note that most presentations will be given more than one time. Once you have decided which sessions you would like to attend, please use the google form link [HERE](#) to select your breakout sessions PRIOR to Thursday, January 22nd. You MUST use the same computer to register that you will be viewing the break out presentations from. Once registered, you will receive an email on Friday, January 23rd with the zoom link and calendar invite to attend the sessions you have chosen. Each breakout session will be capped at 300 participants. To register for the keynote presentations, please click [HERE](#). Once registered, you are registered for each of the three Keynote Presentations. If you have any questions or concerns, please do not hesitate to contact John Calvert (jcalvert@ksde.org) or Jim Green (jgreen@ksde.org). Thank you for making our virtual conference a success and keeping our schools safe!
