

1. **Active Assailant Training (Staff):** It is important for school districts and law enforcement to be on the same page when it comes to active assailant trainings. We know that LEOs and school staff speak different languages. Attendees will leave having a better understanding of what and how most schools are preparing for active assailants, and why it is important to work together during these types of drills. (90-120 minutes)
2. **Motivational for Students/Staff:** With our students or staff members being bombarded with so much in today's world, sometimes it is nice to be uplifted and empowered while learning about what we can do about school safety. This presentation focuses on empowering the audience, and understanding that the sky truly is NOT falling! (1 hour)
3. **Turning the Tables: Change is Student Led (adult):** Tired of coming up with new ways to motivate students? Tired of telling them about the same dangers, only to see no change? Attendees will learn a new way of empowering students, and discover that sometimes it is the adults who get in the way of positive change. (1 hour)
4. **Turning the Tables: Change is Student Led (student):** Tired of listening to old people tell you what to do? Do you know that parents have no idea what you are dealing with? GOOD! Leave this session empowered and motivated to be the change you want to see in your community and schools. Learn why positive relationships are the foundation to a positive school climate, and what YOU can do to lead the charge! (1 hour)
5. **Social Media 101: ADULTS ONLY.** This course will discuss the top applications that are our kids are using. We will talk about what the apps are used for and how they are created to hide things from adults. This is NOT a course on how to investigate social media crimes, but an informational course on what people are using applications for. (1 hour)
6. **Suspicious Activity Reporting (Staff):** Attendees will learn about the Suspicious Activity Reporting tool that the Kansas Department of Education has partnered with the Kansas Bureau of Investigation to help streamline the safety of our community. (1 hour)

7. Rethinking Crisis Drills (Staff): This course will stress the importance of conducting different types of drills, as well as give a brief overview of the law as it pertains to crisis drills in schools. (1 hour)

8. Tabletop Exercise (Counts as one of your Crisis Drills)

Power outage Tabletop Exercise for Schools

Earthquake Tabletop Exercise for Schools

Severe Weather Tabletop Exercise for Schools

9. FEMA Courses/ Classroom Training (3 Hours)

ICS: 100 Intro to Incident Command System: This training will describe the history, features and principles, and organizational structure of the Incident Command System. It also explains the relationship between ICS and the National Incident Management System (NIMS).

ICS: 700 Introduction to the National Incident Management System: This Training will explain the comprehensive approach guiding the whole community - all levels of government, nongovernmental organizations (NGO), and the private sector - to work together seamlessly to prevent, protect against, mitigate, respond to, and recover from the effects of incidents.

10. Go Kit Presentation "Should I stay or should I go" (Staff)(1 hour) After an emergency, you may need to survive on your own for several days. Being prepared means having your own food, water and other supplies to last for several days. A disaster supplies kit is a collection of basic items your household may need in the event of an emergency whether you stay in your home or if you have to leave.

11. What is ALL Hazard Preparation? (Staff) (1 hour) an integrated approach to emergency preparedness planning that focuses on capacities and capabilities that are critical to preparedness for a full spectrum of emergencies or disasters."
