

BASE AID FOR STUDENT EXCELLENCE (BASE) (KSA 72-5132)

This history of the BASE, including the planned increases through SY 2022-2023, is outlined in the table. Beginning in SY 2023-2024, the BASE will be adjusted by the average percentage increase in the Consumer Price Index for all urban consumers (CPI-U) in the Midwest region during the three immediately preceding school years. The Kansas School Equity and Enhancement Act (KSEEA) includes a provision that if appropriations in any school year for State Foundation Aid is not sufficient to pay school districts' computed entitlements, then the State Board of Education (State Board) will reduce the BASE to the amount necessary to match State Foundation Aid entitlements of school districts with the amount of State Foundation Aid available.
