Process and Requirements

K.S.A. 79-2988

The timelines will remain the same as last year budgeting purposes. County Clerks will notify individual tax payers this year.

There is a requirement for a roll call vote of board members and how they voted on the RNR resolution.

Remember, with normal increases in local assessed valuation the mill levy (Revenue Neutral Rate) goes down to raise the same amount of dollars.

Notes:
- **USDs not exceeding** the Revenue Neutral Rate would follow the old law dates for publication and hearing and submit their budget to the county clerk and KSDE by August 25.
- The board of education should be informed of the mill rates reported to the county clerk by July 20, however the Resolution to Exceed the Revenue Neutral Rate is not adopted until after the hearing is held.
− The taxing subdivision cannot levy above the RNR. If the taxing subdivision adopts a budget that does not exceed the RNR, the subdivision should contact the county clerk to prepare for valuation decreases from the June 15th property valuation estimates to the November 1st property valuations certified to the county clerk. If property valuations decrease from June 15th to November 1st, the taxing subdivision would realize less dollars than budgeted. If the taxing subdivision levied higher than the RNR, the legislation requires refunds to taxpayers in any amount levied above the RNR.

− Based on the State Department of Administration, Office of Accounts and Reports, recreation commissions will be computed separately and will not be included in the school district's Revenue Neutral Rate.

**Excerpts K.S.A. 79-2988**

1. **County Clerk will provide** to taxing subdivisions on or before June 15 of each year their revenue neutral rate and include said rate on the notice of the estimated assessed valuation provided to each taxing subdivision for budget purposes.

2. No tax rate in excess of the revenue neutral rate shall be levied by the governing body of any taxing subdivision unless a resolution or ordinance has been approved by the governing body according to the following procedures:

3. At least 10 days in advance of the public hearing, the governing body shall publish notice of its proposed intent to exceed the revenue neutral rate by publishing notice:
   (A) On the website of the governing body, if the governing body maintains a website; and
   (B) in a weekly or daily newspaper of the county having a general circulation therein. The notice shall include, but not be limited to, its proposed tax rate, its revenue neutral rate and the date, time and location of the public hearing.

4. On or before July 20, the **governing body shall notify the county clerk** of its proposed intent to exceed the revenue neutral rate and provide the date, time and location of the public hearing and its proposed tax rate.

5. The **public hearing** to consider exceeding the revenue neutral rate shall be held not sooner than August 20 and not later than September 20. The governing body shall provide interested taxpayers desiring to be heard an opportunity to present oral testimony within reasonable time limits and without unreasonable restriction on the number of individuals allowed to make public comment. The public hearing may be conducted in conjunction with the proposed budget hearing pursuant to K.S.A. 79-2929, and amendments thereto, if the governing body otherwise complies with all requirements of this section. Nothing in this section shall be construed to prohibit additional public hearings that provide additional opportunities to present testimony or public comment prior to the public hearing required by this section.

6. A **majority vote** of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue neutral rate. Such vote of the governing body shall be **conducted at the public hearing** after the governing body has heard from interested taxpayers and **shall be a roll call vote**. If the budget, budget certificate and other budget forms filed with the county clerk and the director of accounts and reports and shall be published on the website of the department of administration.
7. Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate.

8. Governing body approves exceeding the revenue neutral rate, the governing body shall not adopt a budget that results in a tax rate in excess of its proposed tax rate as stated in the notice provided pursuant to this section. A copy of the resolution or ordinance to approve exceeding the revenue neutral rate and a certified copy of any roll call vote reporting, at a minimum, the name and vote of each member of the governing body related to exceeding the revenue neutral rate, whether approved or not, shall be included with the adopted budget.

9. Any taxpayer of the taxing subdivision that is the subject of the complaint or such taxpayer's duly authorized representative may file a complaint with the state board of tax appeals by filing a written complaint, on a form prescribed by the board, that contains the facts that the complaining party believes show that a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and that a reduction or refund of taxes is appropriate. The complaining party shall provide a copy of such complaint to the governing body of the taxing subdivision making the levy that is the subject of the complaint. Notwithstanding K.S.A. 74-2438a, and amendments thereto, no filing fee shall be charged by the executive director of the state board of tax appeals for a complaint filed pursuant to this paragraph. The governing body of the taxing subdivision making the levy that is the subject of the complaint shall be a party to the proceeding. Notice of any summary proceeding or hearing shall be served upon such governing body, the county clerk, the director of accounts and reports and the complaining party. It shall be the duty of the governing body to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity of such levy. If upon a summary proceeding or hearing, it shall be made to appear to the satisfaction of the board that the governing body of the taxing subdivision did not comply with subsection (b), the state board of tax appeals shall order such governing body to refund to taxpayers the amount of property taxes over collected or reduce the taxes levied, if uncollected. The provisions of this subsection paragraph shall not be construed as prohibiting any other remedies available under the law.

10. On and after January 1, 2022, in the event that the 20 mills levied by a school district pursuant to K.S.A. 72-5142, and amendments thereto, increases the property tax revenue generated for the purpose of calculating the revenue neutral rate from the previous tax year and such amount of increase in revenue generated from the 20 mills is the only reason the school district would exceed the total property tax revenue from the prior year, the school district shall be deemed to not have exceeded the revenue neutral rate in levying a tax rate in excess of the revenue neutral rate to take into account the increase in revenue from only the 20 mills.

11. If the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before October 1, to the proper county clerk the amount of ad valorem tax to be levied.

12. If a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and certifies to the county clerk an amount of ad valorem tax to be levied that would result in a tax rate in excess of its revenue neutral rate, the county clerk shall reduce the ad valorem tax to be levied to the amount resulting from such taxing subdivision's revenue neutral rate.
13. After the first two years, in the event that a county clerk incurred costs of printing and postage that were not reimbursed pursuant to section 7, and amendments thereto, such county clerk may seek reimbursement from all taxing subdivisions required to send the notice. Such costs shall be shared proportionately by all taxing subdivisions that were included on the same notice based on the total property tax levied by each taxing subdivision. Payment of such costs shall be due to the county clerk by December 31.

Suggested procedures for determining tax levies for the Revenue Neutral Tax Rate.

Levies must be determined for each Tax Levy fund needed for the school year. There will be a separate Revenue Neutral Rate for General, Capital Outlay (if necessary), Bond & Interest and all other levies will be combined into one rate.

General
Capital Outlay**
Bond and Interest #1
Bond and Interest #2 (If necessary)
Supplemental General (LOB)
Adult Education
Special Liability Expense
**Will be separate if the assessed valuation is different from all other funds

No Fund Warrant
Special Assessment
Temporary Note
Historical Museum
Public Library Board
Public Library Board- Employee Benefits
Extraordinary Growth Facilities
Cost of Living

Process to determine taxes needed.

1. Most school districts will levy taxes for General, Supplemental General (LOB) and Capital Outlay.
2. The county clerk will provide the estimated assessed valuation and the Revenue Neutral Rate by June 15 for General fund, Capital Outlay (if different assessed valuation), Bond & Interest (if different assessed valuation) and another assessed valuation and the Revenue Neutral Rate for all other funds.
3. For General fund, multiply 20 mills times the General fund assessed valuation provided by the county clerk.
4. For Capital outlay, multiply the Capital outlay assessed valuation (if provided) times the mill rate the district plans to use.
5. For the bond and interest levy, determine the taxes needed using code 62 in the budget software to determine the amount necessary to meet the bond and interest payments.
6. The other tax levies can be determined based on completing those funds in the budget software.
7. The tax levies needed for the Historical Museum and Public Library will need to be determined on the budget software.
8. As noted, the Recreation Commission levies are not part of the school districts calculation for the Revenue Neutral Tax Rate and is responsible to provide their tax levy amounts to the county clerk by July 20.

IMPORTANT: The District’s Planned Tax Rate must be certified to the county clerk on or before July 20.

- If a district fails to meet that deadline, the district will have the same taxes from the previous year or they could be lower if the assessed valuation decreases from the previous year.
- If a district certifies a higher amount of taxes needed to the county clerk, the amount can be lowered prior to publishing the budget or it can be reduced by the board of education after having their public hearing.

USDs can publish Code 99 hearing & RNR hearing on the same page and hold the hearings together. When the board adopts the budget, they should have a motion to adopt the RNR Resolution first and then adopt the budget.
