Subj: Unencumbered Cash Balances for Selected Funds

The Department of Education will report on a quarterly basis to the Director of Legislative Research, monthly unencumbered fund balances as of the 1st of each month for every school district. Therefore, districts will be expected to report unencumbered fund balances on a monthly basis, due no later than the 12th of each month. Reminders will be sent for each monthly collection.

It is expected many districts may have negative beginning cash balances in these funds on July 1 due to the delayed June split payments for both State Foundation Aid and Supplemental General State Aid, which will deposit approximately July 8.

Below are instructions on how to log on and complete the Unencumbered Cash Balances web form.

Please contact Rose Ireland at rireland@ksde.org or 785-296-4973 or Sara Barnes at sbarnes@ksde.org or 785-296-4972 if additional information is requested.
