Starting in the 2019-2020 school year, KSA [72-5143](#) requires the school board of any USD that desires to increase its local option budget authority for the immediate succeeding school year to submit written notice of such intent to the Kansas State Board of Education by April 1 of the current school year. Such notice shall include the Local Option Budget authority, expressed as a percentage, of the USD's Total Foundation Aid. The local board of education may not adopt a Local Option Budget in excess of the authority stated in the notice submitted pursuant to this subsection.

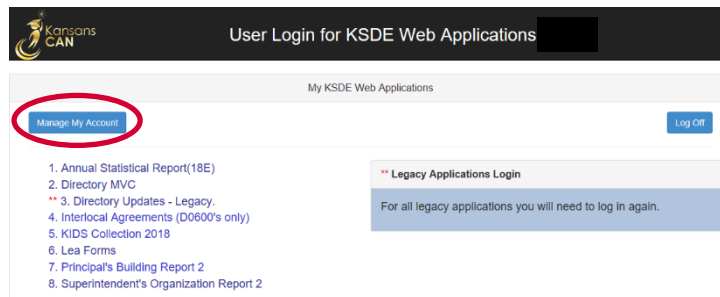

The Local Option Budget Percentage form will be considered your written notice of such intent for the upcoming school year. All USDs are required to submit the Local Option Budget Percentage form.
