This publication has been prepared by the School Finance Section of the Kansas Department of Education to provide enrollment information for each of the unified school districts in Kansas. The data has been compiled from the Superintendent's Organizational and the Principals' Building Reports. Please note this headcount publication does not reflect audited data.

It is hoped that this report will be beneficial to school boards, school administrators, and others who may be interested in the educational programs of local public school districts.

### PRE-KINDERGARTEN

A pre-kindergarten program is an academic program for children under age five that is operated very similar to a school program. Children in this program are not counted in the school finance formula. Children in a 4-year-old at risk program that has been approved by the State Board of Education or 3, 4 and 5-year-old special education children with an IEP are not included in the Pre-Kindergarten numbers.
