The School Finance team at the Kansas State Department of Education has prepared this report in order to provide the expenditures per pupil for unified school districts in Kansas.

Listed below are the funds included in total expenditures, a history of districts that closed or consolidated from 2002-2003 to present and state totals.

This report may be beneficial to school boards, school administrators, and others who may be interested in the educational programs of local public-school districts.

FTE Enrollment

The total enrollment for pre-school through grade 12 and non-graded students from September 20, and February 20 if applicable, count days (including virtual).

Note: Students enrolled in the Kansas Academy of Math & Science (KAMS) at Fort Hays State University are excluded from the FTE.

- 3- and 4-year-old preschoolers (with IEP) and Preschool-Aged At-Risk will count as 0.5 FTE.

Note: Beginning in 2021-2022, funding was provided for Preschool-Aged At-Risk (3-years old). For 2020-2021 and prior, enrollment excludes Preschool-Aged At-Risk (3-years old) and only includes Preschool-Ages At-Risk (4-years old).

- Kindergarten through grade 12 and non-graded students receive an FTE based on minutes enrolled where 360 minutes = 1.0 FTE (full-time).
 - Students less than full-time will receive an FTE based on their minutes enrolled and rounded to the nearest one-tenth (one decimal point).

Note: Kindergartners are counted as 0.5 FTE through the 2016-2017 school year. However, per [KSA 72-5132](#), starting in 2017-2018 are counted as 1.0 FTE based on 360 minutes or IEP status.

Full-Time for concurrently enrolled students is 300 minutes. Full-time for Preschool-Aged At-Risk (4 years old) students is 180 minutes (maximum FTE is 0.5).

- Kindergarten through grade 12 students (with IEP) will count as a 1.0 FTE unless also enrolled as a virtual student.
*See page 21 of the [Enrollment Handbook](#) on how virtual students with an IEP are counted.

- Virtual Students that are one of the following on September 20 will receive an FTE based on the number of credits earned divided by 6:
 - 20 and older
 - Dropout that is 19 and younger (starting in 2022-2023 school year)

Note: Virtual Full-Time and Part-Time FTE is only counted on September 20; Virtual Credits are collected in June on the Local Effort form. Credits are divided by 6 to calculate FTE.

February 20 Count Day

Per [K.S.A. 72-5139](#), school districts are eligible for a second enrollment count on February 20 if the FTE of military students enrolled on 2/20 is:

- 25.0 FTE or more than the total 9/20 FTE of the current school year.
- OR*
- at least 1% more than the total 9/20 FTE of the current school year.

This provision was not applicable during Block Grant years (2015-2016 & 2016-2017).
