This publication has been prepared by the School Finance Section of the Kansas Department of Education to provide totals for all certified personnel in each of the unified school districts in Kansas. Data used to prepare this report was taken from the superintendent's Organization Report (S066). It is hoped that this report will be beneficial to school boards, school administrators, and others who may be interested in the educational programs of local public school districts.

This report may also be found on our *website*. You can also visit the *School Finance Team* section of KSDE's *website* for more information on School Funding. For more publications, please visit KSDE's *Data Central*.
