

KESA Factoid #5

BUILDING SITE COUNCIL (BSC)

5-9-2016

KESA Function

Representing the school's parents, neighborhood, community, and business/industry, the Building Site Council (BSC) provides input during every step of the growth process. The BSC reviews and provides input/feedback on the work of the Building Leadership Team (BLT). This includes needs assessment, goal area selection, goal and action plan development, evidence/data, and analysis of growth.

1. Schools are already required to have active BSCs (Kansas Statute 72-6439 (d)).
2. BSCs are made up primarily of non-employees of the school.
3. Because every school is unique, all BSCs are not alike.
4. For KESA, just make sure that the BSC represents the building's various demographic and stakeholder groups.
