COMPONENT BASELINE ANALYSIS

SURVEY PURPOSE:

The purpose of the Component Baseline Analysis is to identify district and building-level perception data in these key components of continuous school improvement:

- **State Board of Education Outcomes**
- **Leadership and Culture**
- **Data-based Decision Making**
- **Foundational Structures**
- **Design Principles**
- **Curriculum, Instruction, and Assessment**

SURVEY ANSWER GUIDE:

If you are **District Level Certified Staff**, please provide your perception of each statement at the **district level only**.

If you are **Building Level Certified Staff**, please provide your perception of each statement for **both your building and the district**. However, the **State Board Outcome** section will only ask for your perception of the **district**.
