Section I.b Admissions

Indicate when students are formally admitted into your initial teacher certification program:

Other Student are admitted whenever all requirements are met, generally late in the sophomore year.

Does your initial teacher certification program conditionally admit students?

Yes

Provide a link to your website where additional information about admissions requirements can be found:

<http://coe.k-state.edu/ss/handbook/checklists.htm#te>

Please provide any additional comments about or exceptions to the admissions information provided above:

Students can be conditionally admitted if they: (1) are enrolled in the early field experience but have not yet completed it; (2) are first semester transfer students, who have all other requirements met, and have not had a chance to take the Pre-Professional Skills Tests (PPST); (3) have taken the PPST but the official scores have not arrived at the College of Education offices. We accept the students copy of the scores.

With all three situations, students' records are checked at the end of the semester to see if they have met the requirements. If they have, they are given full admittance. If they have not, they are removed from the teacher education program.

As indicated in the "other" row above, students must successfully complete the following courses with a specified grade or higher: Orientation to Teacher Education at Kansas State University with a grade of "credit." Candidates must complete the following courses with a grade of C or higher: Expository Writing I & II, Public Speaking, Algebra or a higher level math course, Statistics or a course which includes statistics.

Candidates must also have a teaching field grade point average of 2.75 or above.

Section I.c Enrollment

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled.

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

Additional guidance on reporting race and ethnicity data.

Total number of students enrolled in 2012-13:	936
Unduplicated number of males enrolled in 2012-13:	186
Unduplicated number of females enrolled in 2012-13:	750

Section I.d Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2012-13.

Average number of clock hours of supervised clinical experience required prior to student teaching	117
Average number of clock hours required for student teaching	640
Average number of clock hours required for mentoring/induction support	0
Number of full-time equivalent faculty supervising clinical experience during this academic year	24
Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff)	999
Number of students in supervised clinical experience during this academic year	1348

Please provide any additional information about or descriptions of the supervised clinical experiences:

NOTE: The number of students includes approximately 325 in early field experiences who have not yet been admitted into the teacher education program.

Kansas State University has an extensive program of professional development schools. Of their four field experiences, all candidates have at least two of them in professional development schools and most have all four in professional development schools.

Clinical instructors are employed to work in each of the professional development schools. These are individuals who teach for the school district half-time and supervise clinical experiences for the University, including student teaching, half-time. They are paid by the College of Education for half-time employment.

In addition to being supervised and evaluated by clinical instructors and university instructors/professors, candidates are assigned to work in the classrooms of

cooperating teachers for each of their clinical experiences. These cooperating teachers oversee the candidates' work and evaluate their performance. For student teaching, (a full day, 17 week experience) each candidate is assigned a cooperating teacher who works closely with them and is paid a stipend for this work.

Section I.e Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2012-13. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. (§205(b)(1)(H))

Section IV Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program.

Is your teacher preparation program currently approved or accredited?

Yes

If yes, please specify the organization(s) that approved or accredited your program:

State
NCATE

Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

No

Section V Use of Technology

Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare teachers to:

- **integrate technology effectively into curricula and instruction**
Yes
- **use technology effectively to collect data to improve teaching and learning**
Yes
- **use technology effectively to manage data to improve teaching and learning**
Yes
- **use technology effectively to analyze data to improve teaching and learning**
Yes

Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

The semester following their admission to the teacher education program, candidates are required to take the course "Educational Technology for Teaching and

Learning." In subsequent semesters they are required to use technology in their teacher education courses. During student teaching, candidates are required to use technology to teach and to collect, manage, and analyze data and report the results in their student teaching portfolio.

Section VI Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare general education teachers to:

- **teach students with disabilities effectively**
Yes
- **participate as a member of individualized education program teams**
Yes
- **teach students who are limited English proficient effectively**
Yes

Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

All candidates receive instruction in working with limited English proficient students and special needs students, including participation on an individualized education plan team. They are required to have at least one clinical experience with special needs students. During student teaching candidates are required to address the needs of special students and report their results in the student teaching portfolio.

Does your program prepare special education teachers to:

- **teach students with disabilities effectively**
NA
- **participate as a member of individualized education program teams**
NA
- **teach students who are limited English proficient effectively**
NA

Provide a description of the evidence your program uses to show that it prepares special education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

At Kansas State University special education is not an initial teacher preparation program. It requires graduate work and is an endorsement to an initial teaching license.
