Applicants who completed their education program from an institution outside of the United States

Requirements for Initial Kansas License

INITIAL TEACHING LICENSE

Submission of a credential evaluation report that verifies:

- Equivalent bachelor's degree from a regionally accredited college or university
- Completion of an approved teacher preparation program in the subject or field in which licensure is sought

In addition, verification of:

- Recency: defined as at least one year of accredited teaching experience OR 8 semester hours of college credit, within the six year period immediately prior to application
- Completion of appropriate content and pedagogy tests
- Passing scores on an English proficiency exam TOEFL iBT

Fingerprint background check clearance is required for all applicants

Application Steps: All Applicants Must Follow These Steps

Step 1: Obtain a credential evaluation report:

- You must have all of your official education credentials/transcripts evaluated by one of the educational credential evaluators listed at http://www.naces.org/members.htm
- The evaluator will verify the equivalency of your academic credentials to degree(s) awarded by an accredited institution of higher education in the United States. In addition, the credential evaluator must verify the completion of a teacher education program, including teaching subject area(s) and grade level preparation.
- Request a course-by-course evaluation.

Step 2: Determine if you need to complete pre-licensure assessments:

- Refer to assessment sheet (page 7) to determine if you need to complete Kansas pre-licensure assessments and which assessments to take.
- Register for the assessments through Educational Testing Services (ETS) online at www.ets.org/praxis. Choose Kansas from the state pull down menu to access Kansas testing requirements and links for study materials and to register. Enter the Kansas State Department of Education code as a score recipient (code 7270) when you register.
- Complete the assessment(s).

Step 3: Complete an English proficiency exam:

- If your first language is not English, you must present verification of competence in both written and spoken English, by obtaining a passing score on an English language proficiency exam.
- Details on the Test of English as a Foreign Language (TOEFL iBT) offered through Educational Testing Services (ETS) can be found at www.toefl.org. Enter the Kansas State Department of Education code as a score recipient (code 7503) when you register. Passing score for the TOEFL iBT is 88.

Step 4: Verify that you meet "recency":

- Kansas licensure requires that you meet a recency requirement. You may meet this in one of two ways:
 - O You have at least one year of teaching experience in an accredited or approved school under a valid credential during the last six years. You will need to verify this experience, including verification of the credential that was valid during the teaching experience. To verify the experience, use the verification of experience form (page 6) <u>OR</u> submit an original or notarized letter of verification from the school administrator.

OR

You have the equivalent of at least 8 semester credit hours within the last six years. If the credit is from a foreign institution, the equivalency will need to be verified by the credential evaluator. If the credit is from a U.S. college or university, you must obtain an official transcript.

(Application steps are continued on next page)

Step 5: Complete the application Form:

- Attach the original credential evaluation report
- Attach official pre-licensure test scores if applicable
- Attach a score report verifying a passing score on an English proficiency exam
- Attach experience verification and verification of teaching credential if applicable
- If you have completed additional coursework and/or degrees through a U.S. college or university, attach official transcripts in sealed envelopes from every institution where coursework was completed.
- Step 6: Include \$70.00 fee (check or money order) and mail all documents together in a single packet.

 Do not combine this fee with the background fee if you are submitting fingerprints.
- **Step 7: Obtain fingerprints from a qualified law enforcement agency** submit the card and fingerprint background check fee of \$50.00 as directed in the fingerprint card instructions. (DO NOT BEND CARDS).

A fingerprint card and instructions can be ordered by clicking here.

Any attached verifying documents, such as experience verification must be in English and translations must be completed by an independent translator and notarized.

PLEASE NOTE

- **An incomplete packet will be returned unprocessed.**
- ❖ The application and background check fees are **nonrefundable**, and do not guarantee a license will be issued.
- ❖ If you wish to seek licensure in a teaching subject area not verified by the credential evaluation report, you will need to contact a Kansas teacher education institution. The Kansas institution will determine your eligibility for the additional endorsement area. They may be able to recommend you for provisional licensure and identify courses you would need to complete for full licensure in the additional subject area.

CONTACT TEACHER LICENSURE AND ACCREDITATION AT 785-296-2288 IF ADDITIONAL INFORMATION IS REQUIRED.

THE AVERAGE PROCESSING TIME IS FOUR – SIX WEEKS.

Verify Which Assessments Are Required

Were you issued a credential to teach in your own country (or in another state) PRIOR TO MAY 1, 1986?

Yes:

• If yes, you do not need to complete any additional assessments to qualify for the initial license.

No:

• If you were <u>not</u> credentialed prior to May 1, 1986, you will need to complete content assessment(s) and a test of pedagogy.

Required Kansas	CONTENT Assessment	Principles of Learning and Teaching (PLT)
Assessments	Complete for all endorsement fields. (A content assessment approved in another state is accepted)	Complete the level appropriate to your educational training. (A pedagogy assessment approved in another state is accepted)

OR

• If you have received a certificate or license in another state and were required to complete content and pedagogy assessments, you may submit official score reports from those assessments. Staff will review the assessments and determine if they are acceptable to substitute for the Kansas assessments. If not, your file would be held open to allow you time to complete the appropriate assessments.

Licensure assessments are administered by Educational Testing Service (ETS). Register for the test(s) online at www.ets.org/praxis. Choose Kansas from the state pull down menu. Determine the appropriate tests for your license. Links to study materials and to register for the tests are accessible on the Kansas praxis page or from the main praxis page. Enter the Kansas State Department of Education code as a score recipient (code 7270) when you register for the tests so that your scores will be sent to and received electronically by the teacher licensing office.

Gifted, Latin and Journalism educators: a content assessment is not required at this time for an endorsement in these areas.
