Enrollment Dispute Resolution Process for Kansas Public Schools

Disagreements and disputes are to be settled as close to the point of conflict as possible. Each local homeless education liaison shall assist the family and school to ensure compliance with federal and state legislation and policy governing the education of children and youth experiencing homelessness. The liaison shall work with the appropriate school division representatives to address any policies or procedures that are identified as barriers in the access to and success within a free appropriate public education. The Office of the State Coordinator of Homeless Education may be consulted at any time for technical assistance.

Dispute Resolution Process for School Selection or Enrollment

If a school chooses to send a child or youth to a school other than the school of origin or the school of residency selected by the family or unaccompanied youth, the school shall consult with the local homeless liaison prior to making a final placement determination. If the school’s denial of enrollment is supported by a review of feasibility and best interest, the school shall provide the parent or guardian of the child or youth with a written explanation of the school’s decision regarding school selection or enrollment, including the rights to the parent, guardian, or unaccompanied youth to appeal the decision [§722(g)(3)(B)(ii)]. The local homeless education liaison shall maintain a copy of such written notification. If an appeal is requested either in writing or verbally, as outlined in §722(g)(3)(E), the school shall:

- Immediately admit the student to the school in which enrollment is sought and provide all services for which the student is eligible, pending resolution of the dispute; and
- Refer the child, unaccompanied youth, parent, or guardian to the designated local homeless education liaison who should carry out the dispute resolution process as expeditiously as possible after receiving notice of the dispute.

When the liaison is notified of an enrollment dispute by the State Coordinator, a school district staff member, a family, or unaccompanied youth experiencing homelessness, or another entity, the liaison shall:

- Initiate the documentation on the Enrollment Dispute Resolution form;
- Ensure the child or unaccompanied youth is immediately admitted to the school in which enrollment is sought and provided with all services for which the student is eligible, pending resolution of the dispute. Transportation must be arranged while the dispute is being resolved;
- Review feasibility and best interest guidance documents with the school and appropriate central office personnel. [§722(g)(3)(E)] and “Determining Feasibility for School Placement” document;
• Contact any associated district’s local homeless education liaison to participate in the decision making process if another school district is involved;

• Consult with the State Coordinator for additional technical assistance, as needed; and

• Provide the family or unaccompanied youth with a written determination of the district’s placement decision, including the ability to appeal the decision at the state level by contacting the Kansas State Homeless Coordinator within 10 business days.

A parent, guardian, or unaccompanied youth appeal of a school district’s decision must be submitted to The Kansas State Homeless Coordinator within 10 business days of receiving the school district’s notice.

When an appeal is made to the state level, the State Coordinator or designee shall:

• Review school district records and information provided by the appealing family or unaccompanied youth to ensure proper procedures were followed; and

• Forward a recommendation to the Director of Title Programs and Services regarding the appropriate placement for the student within five working days of receiving the appeal based on the review of school district records, any supplemental information provided when appropriate.

The Director of Title Programs and Services, or designee will make the final determination. The family or unaccompanied youth and the school district(s) will be informed of the final disposition within 10 business days of receiving the case and recommendation from the State Coordinator for Homeless Education.

Upon notification by the Director of Title Programs and Services, or designee, the State Coordinator will:

• Provide technical assistance to the school district, as needed, to comply with the final determination.

• Contact the school district within 30 business days from the final disposition by the Director of Title Programs and Services, or designee, to determine the status of the child or youth’s enrollment.
